Additional evidence was not received by PTAB and the file was dismissed for insufficient evidence on 11-15-10. - pp. John Zajicek: #08-03041-R-1 (Stephenson)

Appellant originally filed with PTAB on 5-29-09. A review of the appeal indicated that a copy of the required Board of Review original decision was omitted from filing. A return checklist and notification letter was mailed to appellant on 6-24-10 with a 30 day extension for the submission of this required BOR decision. This decision was not returned by appellant and appeal was dismissed on 10-27-10 for lack of jurisdiction. Appellant is requesting a reinstatement of the appeal per 11-5-10 correspondence. Request states that appellant did not receive this 6-24-10 letter and checklist. Appellant requests that PTAB reinstate appeal and send a new extension letter with checklist. Our letter dated 6-24-10 was not returned for any reason.

- qq. Meijer, Inc.: #08-00230-C-3 (Will)

An extension of 90 days was granted for the submission of evidence. This extension expired on 6-7-10 without the receipt of any additional evidence from the appellant. Appeal was dismissed on 10-25-10 for insufficient evidence. Per 11-5-10 correspondence, appellant is requesting the appeal be reinstated. Request states that a finished appraisal was mailed to PTAB in late May or early June of 2009 for consideration. Appraisal was mailed to PTAB without a docket number indicated anywhere on mailing. PTAB mail log does not indicate the receipt of evidence for this docket number. A copy of the appraisal (completed 5-27-09) is attached to the reinstatement request. This is a multiplier appeal so PTAB has limited jurisdiction.

- uu. Imperial Realty: #06-29772-C-3 (Cook – Jefferson)

Subpoenas requested for the following:

Department of Revenue compelling the attendance at the hearing of a person from the Department with full knowledge of the methodology employed in preparing the studies in order to establish the taxpayer's contention that the studies provide competent evidence of the correct ratio to employ in determining the "correct assessment" for the Subject Property.

Cook County Board of Review to establish on the record that it has an established and known policy of setting class 2 assessments at 10%.

Recommendation: Deny request for issuance of subpoenas. PTAB rules provide for the use of the ordinance level of assessment in Cook County commercial property appeals when a market value finding is made (See 86 Ill.Admin.Code 1910.50 (c)(3)).
