### **3. Executive Director's Report:**

Mr. Apostol reported on the status of the FY14 budget and that staff continues to monitor expenses in an effort to stay within approved budget appropriations.

Mr. Apostol reported on PTAB's FY15 budget request presentation to both the Senate Appropriations Committee on March 31<sup>st</sup> and the House Appropriations Committee on April 2<sup>nd</sup> in Springfield. He reported both presentations were well received, but it appears PTAB must stay within the 5% increase cap from FY14 appropriations. He further stated that he will continue to work with both CMS and OMB to determine if the 5% cap could be lifted to provide additional resources to enable PTAB to close more decisions in an effort to best serve the taxpayers.

Mr. Apostol submitted a new version of the workload report that charted open and closed appeals for the past several years. He noted previous workload reports dealt with open and closed parcels. He requested the new workload chart be submitted for all future PTAB meetings and will present a quarterly update on the status of older appeals in progress.

Mr. Apostol reported that the Information Technology staff is moving forward with current and future projects and will continue to work with CMS IT staff. He further reported the new "Appeal Status Inquiry" program has been enhanced to allow practitioners and taxpayers access to a library of data regarding the status of current and closed appeals. He stated he and staff have received many favorable comments from both practitioners and the general public regarding the enhanced system and access to data.

Mr. Apostol reported that he attended the Governor's "Ethics and Professional Responsibility Program" held on April 1<sup>st</sup> at the University of Illinois-Springfield campus. He stated this was an all day program for all State agency ethics officers.

Mr. Apostol reported on the status of recruitment efforts regarding the Deputy Chief Administrative Law Judge open position at the Des Plaines office. He stated both he, and the Chief Administrative Law Judge, held interviews on April 7<sup>th</sup> and will be concluding the process later this afternoon.

Mr. Apostol reported that PTAB continues to be current with all Governor's Office of Citizen Action inquiries and FOIA requests at this time.

Mr. Apostol reminded the Board the next meeting of PTAB is scheduled for Tuesday, May 13, 2014 at 10:00 a.m. at the Springfield office.

Mr. Freeman moved to accept the Executive Director's Report and approve the new version of the workload report. Mr. Glorioso seconded the Motion and it carried 4-0.
