b. Steven Chesney: #23-04900.001 thru .032-R-1 (Stephenson)

Motion: Appellant’s Request for Extension to File Response to Motion to Dismiss

Overview:

Appellant Information:

Name of Appellant:	Steven Chesney
Appellant’s Attorney:	None – The attorney withdrew due to conflict.
Date Petition Filed:	04/12/2024
Date Admin. Dismissed:	N/A
Basis of Appeal:	Contention of Law & Assessment Equity
BOR Value:	\$34,391
Appellant’s Request:	\$32
Evidence Filed Timely:	Yes

County Information:

County Board of Review:	Stephenson
BoR’s Decision Date:	03/14/2024
Notes/Evidence Filed Timely:	Yes

Relevant Fact to Appellant's Motion

- 05/09/2024 – PTAB accepts the appeal as sufficient, notifies Stephenson County Board of Review (SCBOR), and provides them with a due date of 08/07/2024.
- 07/30/2024 – SCBOR requests a 60-day extension due to this case's complex and voluminous nature.
- 08/08/2024 - PTAB grants an extension with a due date of 10/07/2024.
- 11/12/2024 – PTAB voted to defer ruling on the appellant's request for an extension of time to file a response to the Motion to Dismiss to allow time for the appellant to retain legal counsel to the Board's 01/14/2025 meeting. The appellant was emailed and mailed PTAB's 11/12/2024 decision to defer ruling on the appellant's extension request.
- 11/27/2024 – PTAB's 11/12/2024 decision to defer ruling on the appellant's extension request was resent to the appellant by mail and email.
- The 11/24/2024 mailing was returned by the US Post Office because of an insufficient mailing address—a missing unit number. There is no indication that the email did not go through.

Board of Review's Motion

On 10/01/2024, SCBOR submits its evidence and a Motion to Dismiss Appeal. The SCBOR argues that the appellant has failed to offer the PTAB evidence to justify the relief requested and that the appellant bears the burden of proving his claims by clear and convincing evidence in accordance with 89 IL ADC 1910.63(e). Additionally, if the appellant fails to provide substantive, documentary evidence, his appeal must be dismissed, per 89 Ill. Admin. Code 1910.63(b). SCBOR further states there are restrictive rules relating to the submission of evidence at hearings, per 89 Ill. Admin. Code 1916.67(k), and the appellant has failed to meet his burden as follows:

- The appellant's first contention is that his property is not assessed in the same manner as other condominium parcels, which have been set at \$1. The appellant fails to include any authority on why any such parcels should be assessed at \$1 and fails to note important distinguishing information.
- The appellant claims his property should be assessed at \$1 because this is the practice in Freeport for dealing with as-yet unconstructed condominium units. The appellant offers, as evidence, the assessment for eight parcels related to the Edge of the Meadows Condominium plat. The appellant claims that the assessment for these parcels is not anomalous. SCBOR contends that the property assessment is anomalous and the properties are materially dissimilar.
- SCBOR asserts that understanding how these parcels were ultimately assessed at \$1 requires some review of the development's history. In 2005, this property

was assessed as farmland with a valuation of \$1280. A condominium plat was filed, dividing the parent parcel into 47 child parcels. The parcels were assessed at \$27 per parcel. The next year, the assessment increased to \$150 per parcel and remained at this level until 2012.

- From the beginning and after a few of the condominiums were built, flooding, financial difficulties, and litigation grounded the development's forward momentum to a permanent halt.
- FDI Inc. mortgaged the property through Amcore Bank. The FDIC took over for Amcore Bank on 04/23/2010 and transferred the assets to Harris Bank (later BMO Harris). In 2012, Amcore Bank dba BMO Harris and the Edge of the Meadows Association sued FDI Inc. for failing to meet its financial obligations concerning the subject properties. On 06/04/2012, a judgment was entered against FDI, Inc. on behalf of Amcore Bank dba BMO Harris and Edge of the Meadows Condominium Association, awarding them a judgment in the amounts of \$1,613,587.10 and \$110,257.46, respectively.
- The plats the appellant offers as a model of the common practice in Freeport were additionally encumbered by liens. These liens substantially eclipsed the estimated value of these properties, so in 2013, their assessments were lowered to \$1 under the theory of economic obsolescence.
- Before these plats were lowered, they were assessed exactly as the appellant's parcels are currently assessed.
- The appellant's property is assessed in accordance with Illinois Department of Revenue Publication 134. There are some small distinctions to be made because the Edge of the Meadows Condominium plat was converted from farmland to residential vacant land, and the appealed parcel remained residential vacant land and received the same treatment at the same points in its development.
- The reduction in the assessment of the parcels on the Edge of the Meadows was based on circumstances that are in no way similar to that of the appellant and cannot contribute to a quantum of proof that the appellant's land had been inequitably assessed.
- The appellant's ninth comparable property is a common area owned by a condo association. As such, it is taxed at \$1, and its value has been added to the assessments of the buildings within the condo association as provided by law, 765 ILCS 605/10(a). A condominium association does not exist for the appellant's parcel, and this statute cannot apply to it.
- The appellee contends the appellant's tenth through twelfth comparable properties are not part of a condominium plat or in a comparable location.
- The SCBOR asserts that the appellant also claims that he has a garage on his property that he plans to demolish and cannot use because it does not meet

current zoning requirements. However, the SCBOR has photographic evidence that it is currently used for the storage of gardening and lawn care equipment, which is a legal nonconforming use.

- Therefore, the SCBOR prays this matter be dismissed.

Appellant's Motion

On 10/21/2024, the appellant submitted a Request for Extension of Time to File Response to the Appellee's Motion to Dismiss as follows:

- The appellant's counsel of record has been required to withdraw due to an asserted conflict of interest by the Board of Review.
- Substitute counsel could not assist as originally expected, leaving the appellant unrepresented.
- SCBOR requested and was granted a 60-day extension to file its response and evidence. SCBOR has filed a Motion to Dismiss, which is atypical. The appellant was advised that he has only 21 days to object or file a response to the Motion to Dismiss.
- The appellant objects to granting the Motion to Dismiss as it is primarily factual in nature and deprives the appellant of an opportunity for the requested hearing.
- The appellant avers that he has a valid defense to the Motion to Dismiss and has diligently sought alternative counsel. He continues to do so but has yet to retain counsel in time to meet the filing due date.
- The appellant contends that due to the timing of SCBOR's filing and their extension, the appellant's response is due while tax practitioners are preparing 2024 assessment objections, making it challenging to retain qualified counsel.
- Therefore, the appellant requests a 60-day extension to file a response to the Motion to Dismiss

Motions to Vacate Decision & Withdraw Appeals

On 12/19/2024, the appellant and respondent in support of their motions to vacate the PTAB decisions, stated as follows:

- Before 02/20/2024, the Cook CBOR and the appellants, through counsel, submitted signed stipulations for the above appeal.
- Unbeknownst to the appellants' counsel and Cook CBOR, the signed stipulations submitted for the above appeals mistakenly agreed to a new assessed value for the subject properties.
- Unbeknownst to the appellants and Cook CBOR, the Cook County Assessor's Office had, prior to the stipulations but after the BOR's prior decisions, decreased the assessed values for the subject properties as a result of Class 2-88 line items.
- As a result of the stipulations submitted in error, PTAB's decision in this matter led to an increase in the subject properties assessed value for the respective years.
- This was not the intention of the appellants or Cook CBOR. Therefore, they request that PTAB grant its motions to vacate the 02/20/2024 decisions for the above appeals and further grant the appellants' withdrawal requests.
