- This motion is not filed to delay this matter, but rather in the interest of justice and for a complete record of evidence for PTAB's consideration.

- No parties will be prejudiced by the relief requested in this matter.
- Due to excusable neglect, a timely filed motion to set aside the default is filed here, and the Intervenor has a meritorious defense to the case warranting this equitable relief determination. Further, PTAB deserves the full evidence for consideration in this matter. See *Sims v. EGA Products, Inc.*, 475 F3d 865 (3rd Cir. 2007).
- The Intervenor requests PTAB vacate the default notice and authorize the filing of the Intervenor's evidence.

Motion to Reinstate

On 02/27/2025, the appellant, through counsel, submitted a motion to reinstate as follows:

- On 12/04/2024, the appellant filed an appeal from an 11/19/2024 decision of the Cook County Board of Review (CBOR). The Cook CBOR had not yet published the certified Board of Review (BOR) assessed values at that time. The appellant was uncertain as to the assessor's certified values for comparable properties that the appellant intended to submit as evidence in an assessment equity brief, and therefore inserted \$0 values for land, building, and total assessed values in the appellant's assessment request on the residential appeal form as placeholders until the assessor certified assessed values became available.
- The appellant requested a 90-day extension of time to allow the county assessor to publish certified BOR-assessed values for the current tax year. The appellant was uncertain of how her two improvements' assessed value compared to the values of comparable properties to support her uniformity of assessment argument.
- The appellant received PTAB's incomplete checklist on 12/19/2024.
- On 01/13/2025, the appellant submitted a second request for a 90-day extension of time, as the county assessor had still not yet certified and published 2024 assessed values for Oak Park township, rendering the appellant unable to assemble her evidence. As a result, the appellant continued to request \$0 values for land, building, and total values on the submitted residential appeal form.
- On 01/30/2025, the appellant's petition was dismissed.
- The appellant asks PTAB to reinstate this appeal, allow the opportunity to amend the appellant's assessment request, and submit evidence supporting the appeal.
- The assessor's certified BOR assessed values for 2024 Oak Park township are now published. A revised, fully completed 2024 residential appeal form with

the appellant assessment request, supporting taxpayer's brief, and documentation are attached to this motion.

- The appellant requests that the PTAB issue an order reinstating the above appeal and grant the appellant an opportunity to present evidence in support of the appeal to meet the burden of going forward.
