Motion: Appellant's Motion to Continue and Remove Attachment B, item 1123
(Continued from the August 12th, 2025, Board Meeting)

Overview:

Appellants Information:

Name of Appellant:	George Zerante
Appellant's Attorney:	William J. Seitz
Date Petition Filed:	03/10/2024
Date Admin. Dismissed:	n/a
Basis of Appeal:	Recent Sales
BOR Value:	49,175
Appellant's Request:	43,395
Evidence Filed Timely:	Yes

County Information:

County Board of Review:	Cook
BoR's Decision Date:	12/07/2023
Notes/Evidence Filed Timely:	Yes

Relevant Facts:

- On March 10th, 2024, the appellant, then pro se, filed his initial petition for tax year 2023, based on a recent sale. The appellant asked for a continuance, but the PTAB sent an incomplete checklist to the appellant because he did not attach a copy of the BOR's 2023 decision.
- On April 27th, 2024, the appellant, again acting pro se, filed his amended petition for tax year 2023, seeking a reduction in assessed value from \$49,176 to \$45,237. The appellant amended the basis of his appeal to recent sale, assessment equity, and contention of law. The appellant included a brief in support of his legal argument. In the brief, the appellant states that he is seeking an "elimination and/or reduce the back taxes for tax years 2020, 2021, and 2022, and to reduce the assessed value for tax year 2023."
- Regarding tax years 2020 to 2022, the appellant argued that he should not be charged back taxes on his property because the assessor received a real estate

transfer declaration showing a sale from a tax-exempt taxpayer to a non-tax-exempt taxpayer. The appellant cited to 35 ICLS 9/260(a).

- 07/03/2024–PTAB accepts the above appeal, notifies Cook County Board of Review (CBOR), and provides the Cook CBOR with a due date of 10/01/2024 to submit its evidence or request an extension. On 9/17/2024, Cook CBOR requests an extension, and a 90-day extension is granted. On 9/18/2024, Cook CBOR files its Notes on Appeal.
- 06/27/2025–The scheduled hearing before PTAB occurs. The appellant did not provide a court reporter.
- 08/11/2025–The appellant submits a Motion to Substitute Counsel, and William J. Seitz enters his appearance as counsel for the appellant, instant. The appellant requests that the PTAB not issue a decision on the 2023 case and allow counsel to work with the Cook CBOR about the omitted property cases. The appellant represents that the Cook BOR agrees with this request.
- 08/12/2025–PTAB votes to continue this matter until the October 14th, 2025, PTAB meeting.
- During the August 2025 Board Meeting, the Board was informed that the appellant had filed an appeal for multiple tax years in a single appeal, based on consultation with the Oak Park Township Assessor.
- 10/07/2025–The appellant filed a Motion to Amend PTAB Petition, arguing that the original petition contained a technical defect.

Appellant's Motion:

On 08/11/2025, the appellant submits a Motion to Continue and Remove the above docket from the August 12th, 2025, PTAB Agenda. In the motion, the appellant asserts as follows:

- The appellant purchased the residential property on 08/28/2020 from a religious organization. The Cook CBOR issued a final decision for the 2023 tax year and also issued omitted assessment notices for back tax years 2020, 2021, and 2022.
- Four separate tax years are at issue, including three back tax years for which omitted assessment notices were issued in 2023. Adjudication of the back tax years 2020, 2021, and 2022 needs to take place at the same time as the 2023 tax year.
- The issuance of a decision by PTAB that resolves only one of the four tax years leaves the other three pending, contrary to 35 ILCS 200/16-160. The Cook CBOR issued decisions concerning all four tax years in 2023, which counsel argues were appealed to the PTAB.
- The assessment of omitted property has specific rules that the Cook County Assessor must follow, as cited in 35 ILCS 200/9-260 to 9-270.
- On 08/11/2025, the appellant discussed this matter with the Cook CBOR Chief Deputy Commissioner, William R. O'Shields, and he has no objection to the

requested continuance and to removing this item from PTAB's August 12th, 2025, Agenda.

- The appellant would like to work with the Cook CBOR regarding the omitted assessment notices for the three back tax years at issue.
- These types of omitted property cases are not typical, and the PTAB online filing system does not account for them. The appellant filed this appeal pro se and cannot be expected to understand nuances. It would be unfair to issue a final decision under these circumstances. This motion is not brought to delay the proceeding or prejudice any party.
- The appellant requests that PTAB enter an order to continue these proceedings and remove item 1123 from the August 12th, 2025, PTAB Agenda

Appellant's Motion to Amend:

On 10/07/2025, the appellant submits a Motion to Amend PTAB Petition in the above docket. In the motion, the appellant asserts as follows:

- The board of review issued a 2023 decision that includes omitted assessments for tax years 2020, 2021, and 2022. However, the PTAB docketed the appeal as only a 2023 tax year appeal, and a hearing was held only for the 2023 tax year.
- The appellant seeks to amend the petition so that all four tax years can be adjudicated by PTAB or settled with the CCBOR. Section 1910.31 of PTAB's rules allows amendments to correct technical defects except where prejudicial to a party. The appellant contends that the omission of an appeal for tax years 2020, 2021, and 2022 is a technical defect.
- The CCBOR does not object to the inclusion of all four tax years in one appeal. A copy of an email from William R. O'Shields of the CCBOR indicates that the CCBOR has no objection to the amendment and agrees that the amendment would not unduly prejudice any party.
- The appellant appealed all four tax years to the CCBOR as one complaint. Thereafter, the appellant, acting pro se, appealed all four tax years to the PTAB. However, PTAB did not include the 2020, 2021, or 2022 tax years in the 2023 tax year appeal.
- The appellant seeks an amendment that would allow the original petition to be divided into four separate petitions, one for each of the four tax years at issue. If the amendment is not permitted, the other three tax year assessments will remain unresolved.
- The appellant timely filed this appeal from the omitted assessments for the 2020, 2021, and 2022 tax years, which were included in the 2023 tax year appeal. The PTAB does not have specific procedural rules regarding omitted assessment appeals.

- The appellant argues CCBOR did not object to PTAB's jurisdiction over all four tax year appeals, citing to Blaser, PTAB Docket 11-00547.001-R-1 (in which PTAB stated a motion to dismiss was improperly raised in the Notes on Appeal). The appellant is entitled to a fair hearing on the tax years at issue. *Abrahamson v. Ill. Dept. of Professional Regulation*, 153 Ill. 2d 76 (1992) (finding that a charge in an administrative proceeding put the respondent on notice of the charge to prepare a defense and did not need to be as precise as required for a judicial proceeding). Section 16-180 of the Property Tax Code provides for an informal procedure to determine the correct assessment of the subject property (35 ILCS 200/16-180).

b. HGS Affina Corporation: #24-00805.001 thru .004-C-3 (Peoria) (Kickapoo)

Motions: Intervenor's Motion to Dismiss or, in the Alternative, Motion for Extension

Overview:

Appellants Information:

Name of Appellant:	HGS Affina Corporation
Appellant's Attorney:	Casey Kepple
Date Petition Filed:	02/18/2025
Date Admin. Dismissed:	n/a
Basis of Appeal:	Comparable Sales
BOR Value:	1,417,000
Appellant's Request:	1,000,000
Evidence Filed Timely:	Yes

County Information:

County Board of Review:	Peoria
BoR's Decision Date:	01/30/2025
Notes/Evidence Filed Timely:	Yes

Intervenor Information:

Intervenor's Name:	Dunlap CUSD No. 323
Intervenor's Attorney:	Robert B. McCoy
Date Board of Review Certified the Notice to Taxing Districts:	03/21/2025
Date Intervenor Filed to Intervene	04/17/2025
Date PTAB added Intervenor	05/01/2025
Notes/Evidence Filed Timely:	Yes

Relevant Facts:

- 03/13/2025–PTAB accepts the above appeal and notifies Peoria BOR and provides Peoria BOR with a due date of 06/11/2025 to submit its evidence or request for an extension.
- On 04/17/2025, the intervenor, Dunlap CUSD, requests and is granted an extension of time until 06/30/2025 to file evidence.
- On 06/05/2025, the BOR requests and is granted an extension until 07/19/2025 to file evidence.
- 06/20/25-Intervenor e-files a Motion to Dismiss or, in the Alternative, Motion for Extension as an extension request, together with exhibits to the Motion to Dismiss and a certificate of service attesting the filing was emailed to the other parties on 06/20/2025.
- 07/08/2025-Intervenor submits the motion by mail without exhibits, together with a certificate of service on the other parties on 07/08/2025.
- 07/19/2025-Peoria CBOR files its Notes on Appeal and adopts the intervenor's motion and evidence.
- 07/24/2025-Intervenor is granted an extension until 09/22/2025 to file evidence. On 08/08/2025, the intervenor submits its evidence, which includes three of the four exhibits that were attached to its 06/20/2025 filing.

Intervenor's Motion:

On 07/08/2025, the intervenor submits a Motion to Dismiss or, in the Alternative Motion for Extension. In the motion, the intervenor argues as follows:

- The appellant lacks standing to file the appeal as it is not the owner or taxpayer of the subject property. The intervenor cites to 35 ILCS 200/16-160 and Section 1910.10(c) of the PTAB's rules, under which only a "taxpayer," "owner," or taxing district" having an interest in the decision of the board of review may file an appeal before the PTAB, and to *Sheridan Court Assoc.*, PTAB Docket Nos. 15-24784.001-R-2 through 15-24754.019-R-2, dated 10/15/2019 (PTAB dismissed the appeal filed by a homeowners' association on behalf of the individual owners).
- The records of the Illinois Secretary of State, which are available online and subject to judicial notice, show there is no entity authorized to do business in Illinois known as HGS Affina Corporation. The intervenor concludes the named appellant does not exist.
- HGS Properties, LLC, a Delaware limited liability company, is the record owner of the subject property. HGS Properties, LLC, a Delaware limited liability company, is not registered to do business in Illinois with the Illinois Secretary of State. [A copy of a Special Warranty Deed was submitted by the

intervenor with its evidence. The deed was recorded on 1/30/12 and identifies HGS Properties, LLC, a Delaware limited liability company, as grantee and identifies the subject parcel as part of the conveyed property. The conveyance is subject to exceptions attached to the deed, two of which reference easement agreements from 2002 and 2003 to which Affina Corporation or Affina Corporation f/k/a Ruppman Marketing Technologies, Inc. was a party.]

- HGS Properties, LLC, an Illinois limited liability company, was an entity registered with the Illinois Secretary of State; however, it was involuntarily dissolved on 12/10/2021.
- Affina Corporation, a Delaware corporation, was registered to do business in Illinois with the Illinois Secretary of State, but the registration was withdrawn on 12/16/2004.
- The property is subject to a mortgage by HGS Properties Holding, LLC, which contradicts the name on the deed. The principal amount of the mortgage does not support the appellant's requested assessment. HGS Property Holdings, LLC appears to be an actual existing entity, but it is managed by a corporation with no authority to conduct business in Illinois. [A copy of this mortgage was submitted with the intervenor's evidence.
- The appellant's lack of standing is not a curable misnomer.
- The intervenor raised the issue of standing in a motion to dismiss in the prior tax year appeal (PTAB Docket No. 23-03622) of the same property, naming the same appellant. However, PTAB declined to dismiss this case based in part on the limited record where no documents were submitted showing ownership of the property. This deficiency is rectified in the current motion, where the property's latest deed is attached as an exhibit to this motion [No exhibits were attached to the motion that was filed by mail, but the intervenor submitted copies of the deed and mortgage with its evidence].
- After the intervenor raised the issue of standing in the prior tax year appeal, the appellant filed this appeal naming the same appellant. The appellant has not sought to correct the appellant's name in the prior tax year appeal or in this appeal.
- A court has discretion to dismiss a plaintiff's claim in the name of a fictitious entity. *Santiago v. E.W. Bliss Co.*, 2012 IL 111792 ¶ 21 (holding that a court may dismiss a complaint with prejudice for plaintiff's willful use of a fictitious name where there is a showing of deliberate and continuing disregard for the court's authority and lesser sanctions are inadequate). This appeal is distinguishable from cases where the misnomer was allowed because, unlike those cases, the intervenor does not know the identity of the actual litigant.

- The appellant's use of the wrong name hinders the intervenor's ability to seek information as to the property's fair market value and deprives the public of its right to know who is using PTAB's administrative resources. The appellant should not be permitted to seek relief from PTAB, as it is not registered or authorized to do business in Illinois.
- The PTAB has not adopted any regulation allowing for the correction of a misnomer. [Section 1910.31 of PTAB's rules allows amendment to correct a technical defect except when prejudicial to a party.] 735 ILCS 5/2-401(b) of the Code of Civil Procedure allowed correction of a misnomer at any time. A "[m]isnomer is a *mistake* in name or the provision of an incorrect name to the person in accusation or pleading." *Bristow v. Westmore Builders, Inc.*, 266 Ill. App. 3d 257, 260, (2d Dist. 1994) (emphasis added)(citing Black's Law Dictionary, 1000 (6th ed. 1990.) (holding the misnomer is not grounds for dismissal).
- The record owner is not registered to do business in Illinois with the Illinois Secretary of State and should not be allowed to avail itself of PTAB's resources. The record owner has no Illinois-registered agent on whom a complaint for administrative review or a subpoena for documents relating to the mortgage could be served. The appellant's willful use of a fictitious name violates public policy. "Identifying the parties to a proceeding is an important dimension of publicness; the public has a right to know who is utilizing the courts that its tax dollars support." *A.P. v. M. E. E.*, 354 Ill. App. 3d 989, 1003, (1st Dist. 2004) (holding that using initials for minors may be appropriate). There are exceptions to this general public policy rule, but this situation does not fall within any of these exceptions.
- If the motion is denied, the intervenor requests an extension of 60 days from the date of the denial to file its evidence. Good cause exists for the extension request; the motion is brought in good faith; the intervenor, a trustee of public tax revenue, is seeking to avoid the cost of an appraisal if this case can be resolved on other grounds; and the appellant's concealed identity presents difficulties for the intervenor in preparing its case.

Appellant's Response:

On 08/01/2025 (postmarked 08/01/2025), the appellant filed a response to the intervenor's motion, together with a certificate of service affirming it was served on the other parties on July __, 2025.

CERTIFICATE OF SERVICE

The undersigned hereby certifies that on July __, 2025, the forgoing instrument was served upon all parties to the above cause by certified mail transmission as follows:

J. Greg Fletcher
Peoria County Board of Review
324 Main Street #301
Peoria, IL 61602

Robert B. McCoy
Miller, Hall & Triggs LLC
416 Main Street, Suite 1125
Peoria, IL 61602

/s/ Casey C. Kepple

The appellant argues as follows:

- The appellant has filed numerous appeals over the years in the name of “HGS Affina Corporation.” This name correctly reflects county records. The appellant agrees the property is owned by HGS Properties LLC, but the subject’s property record card shows Affina Corporation as the owner. Thus, the appellant filed this appeal under HGS Affina Corporation. HGS has several related corporate entities. Appellant HGS pays the real estate taxes for the property.
- The appellant presented copies of checks and invoices identifying HGS CX Technologies, Inc. and HGS USA LLC as the paying entities, although the subject property is not identified in connection with these payments.
- The clear intent of the PTAB rules is to afford both the taxpayer and the property owner the right to contest the subject’s assessment. In this case, the appellant is both the owner and the taxpayer.

Intervenor’s Reply/Motion:

On 08/08/2025, the intervenor submitted its reply as a Motion to Strike Putative Appellant’s “Response to Motion to Dismiss Appellant’s Appeal” as follows:

- The appellant filed a response with a certificate of service indicating that it was mailed sometime in July 2025; however, no specific date of mailing was identified.
- The appellant concedes that the owner of the subject property is HGS Properties, LLC. The appellant presented records showing the property taxes, without identifying the subject property, were paid by HGS CX Technologies Inc. and HGS USA LLC.
- Although these records show HGS CX Technologies Inc. and HGS USA LLC may be taxpayers, the appellant is HGS Affina Corporation.

- The appellant's continued use of HGS Affina Corporation cannot be considered a misnomer, which implies a mistake, and the appellant has persisted in using a false name.
- The use of this name is prejudicial to the intervenor, as it would hinder any efforts by the intervenor to seek administrative review, as HGS Affina Corporation lacks a registered agent in Illinois who may be served.
- The response was not filed by an owner, a taxpayer, or a proper party to this appeal, and it must be stricken. Any objection to the motion should be deemed to have been waived pursuant to 86 Ill.Admin.Code § 1910.64(d), given no party has filed a response within 21 days of service of the motion.

Motion to Reinstate:

On 08/21/2025, the appellant submitted a Motion to Vacate PTAB Dismissal of Docket 2024-43653 and Reinstate Appeal as follows:

- The dismissal was entered following the denial of the appellant’s second extension request for failure to show good cause.
- The appellant submitted a second request for an extension to obtain documentation relating to the 2022 sale of the subject property. However, due to inadvertent human error, the appellant’s letter explaining the basis for the extension request was not uploaded with the submission.

- The appellant requests that the PTAB vacate the dismissal and reinstate the appeal.

On 09/05/2025, the appellant submitted a Motion to Reconsider and Reinstate as follows:

- Due to a computer error, the appeal was not included on the counsel's docket for evidence submission on 07/14/2025. As a result of this error, counsel failed to submit its evidence in this matter on or before 07/14/2025.
- Appellant's counsel had 15 other appeals for which evidence was also due on 07/14/2025. The undersigned attorney was responsible for 7 of those appeals, for which evidence was timely submitted on or before the deadline.
- Counsel intended to file evidence in support of this appeal, and as evidenced by the other matters for which a timely submission was made, stood ready to do so.

- The appellant requests that the appeal be reinstated so that it can upload its evidence and amend its petition as may be necessary to comport with the evidence. Reinstatement of the appeal will not prejudice the interests of the Cook CBOR or any other potential party to this matter.

- Appellant's counsel had 15 other cases for which evidence was also due on 07/14/2025. The undersigned attorney was responsible for 6 of those cases, for which evidence was timely submitted on or before the deadline.
- Counsel intended to supply evidence in support of this appeal, and as evidenced by the other matters for which a timely submission was made, stood ready to do so.
- The appellant submitted as exhibits the evidence it would like to submit: seven equity comparables on PTAB's grid and printouts of property details sheets for the comparables.

- The appellant requests that the appeal be reinstated so that it can upload its evidence, file an amended appeal petition and an assessment uniformity grid, and otherwise comport with the evidence. Reinstatement of the appeal will not prejudice the interest of the Cook BOR or any other potential party to this matter.

Relevant Facts:

- 02/28/2025-Appellant files a 2023 tax year rollover appeal from a tax year 2023 PTAB favorable decision dated 02/18/2025. The appellant indicates the property is an owner-occupied residence. The start of the applicable general assessment period for Lake County is tax year 2023.
- 04/03/2025-PTAB accepts the appellant's tax year 2023 rollover appeal from a 2023 favorable PTAB decision, notifies the Lake CBOR, and provides Lake CBOR with a due date of 07/02/2025 to submit its evidence or request for an extension.

- 04/29/2025–Lake CBOR submits its evidence indicating it is willing to stipulate to the amount requested by the appellant.
- 06/17/2025-PTAB issues a decision based on the Lake CBOR’s agreement with the appellant’s requested assessment.

Motion to Reinstate:

On 09/18/2025, the appellant submitted a Motion to Amend Appeal as follows:

- The appeal was inadvertently filed for the assessment year 2023. The petition was intended to be filed as a 2024 rollover appeal pursuant to Section 16-185 of the Illinois Property Tax Code (35 ILCS 200/16-185). The appellant requests leave to amend the petition to correctly reflect that it is a 2024 tax year appeal.
- Sections 1910.30 and 1910.69 of PTAB’s rules expressly authorize amendments to ensure cases are adjudicated on their merits rather than dismissed on technical grounds.
- Section 16-185 of the Property Tax Code provides for rollovers of assessments for owner-occupied residences within the same general assessment period, subject only to equalization, provided a taxpayer files a petition for a rollover within 30 days of the PTAB decision lowering the assessment. The PTAB decision for Docket No. 23-02605 dated February 18th, 2025, reduced the subject property’s 2023 assessment to \$165,280. The appellant timely sought a rollover for 2024, but the petition was mistakenly filed for 2023 instead of for 2024.
- In *Kankakee CBOR v. PTAB*, 131 Ill. 2d 1 (1989), the Illinois Supreme Court reaffirmed that uniformity and substantive fairness are of paramount importance in tax appeals, and procedural rules must not be applied in a way that frustrates the constitutional mandate of uniform taxation. Allowing amendment of this appeal ensures uniformity by rolling over the corrected PTAB assessment to the subsequent year as the statute requires.
- A good cause exists for the amendment because the error was a clerical mistake in identifying the assessment year. The county suffers no prejudice as the facts, evidence, and relief sought remain identical; only the tax year designation requires correction. Denying the requested amendment would frustrate the taxpayer’s statutory right to rollover relief under Section 16-185 and elevate form over substance.
