Village of River Grove's Motion

On 09/25/2026, the Village of River Grove submits its Motion to Reconsider and Vacate the Village's Default and to Recognize the Appraisal Evidence Already Filed, contending as follows:

- On 02/04/2026, counsel made one submission through PTAB's Electronic Filing Portal consisting of a transmittal letter and appraisal. The transmittal letter identified "Intervenors" as the "Village of River Grove and River Grove Public Library District." The appraisal was obtained for both intervenors.
- Before e-filing was required, counsel could submit one set of evidence for multiple intervenor clients, and counsel believed one e-filing submission, with an identification of both clients, would similarly be treated as evidence for both intervenors. The Electronic Filing Portal associated the evidence with only one intervenor, without notifying counsel that uploading for the second intervenor was required.
- PTAB issued a 03/26/2026 default letter for the Village of River Grove, indicating that the 02/04/2026 submission was accepted only for one intervenor.

- Counsel erred in not uploading the evidence again for the second intervenor, although both intervenors were identified in the transmittal letter.
- PTAB's rules provide that evidence submitted through the Electronic Filing Portal is filed as of the date shown by the electronic transmission time stamp. (Section 1910.25(b)(3)). The PTAB's rules should be construed to promote and facilitate electronic filing.
- Good cause exists to reconsider and vacate the default because the appraisal was timely received and was clearly intended for both intervenors who have the same counsel; the evidence concerns the same property, assessment year, and docket number; and the error resulted from counsel's good-faith misunderstanding rather than an attempt to evade a deadline or notice to the other parties. Accepting the submission for both intervenors creates no prejudice because PTAB already accepted the submission of the same appraisal for the other intervenor. Granting the requested relief would promote PTAB's goals of equity, substantial justice, and resolution on the merits.
- Alternatively, counsel requests permission for the Village of River Grove to adopt the other intervenor's evidence under PTAB Rule 1910.99. The PTAB previously granted a motion allowing an intervenor's adoption of evidence already in the record (April 9, 2024, Board meeting).
- Counsel requests reinstatement of the Village of River Grove, recognition of the evidence submitted for the other intervenor as the Village of River Grove's evidence, or in the alternative, permission to adopt the other intervenor's appraisal as the Village of River Grove's evidence, citing to the Board's granting of a motion allowing adoption of evidence at its April 9, 2024 meeting.
