

Government Advertising Spending Transparency Report

Illinois Property Tax Appeal Board

State Fiscal Year 2026 | July 1, 2025 - June 30, 2026

Background

The Government Advertising Spending Transparency Act (5 ILCS 176/15) requires each State agency or department, no later than October 1 of each year, to report the amount and distribution of its advertising spending to the General Assembly and to post the report on its website. The annual report includes the overall amount of advertising spending, advertising vendors and contract amounts, the type of entity or media receiving the advertising spending, and the general subject matter of the advertising placement.

For State Fiscal Year 2026, the Illinois Property Tax Appeal Board (PTAB) had no advertising expenditures and no advertising contracts. Accordingly, there are no advertising vendors, media types, or advertising subject matters to report.

FY26 Report

Advertising Spending	Name of Vendor	Entity / Media Type	General Subject Matter	Total Agency Advertising Spending
\$0.00	None	Not Applicable	Not Applicable	\$0.00

Reporting Period: July 1, 2025 through June 30, 2026.
