

PROPERTY TAX APPEAL BOARD'S DECISION

APPELLANT: Charles Hildebrand  
DOCKET NO.: 06-20681.001-R-1  
PARCEL NO.: 10-11-308-005-0000

The parties of record before the Property Tax Appeal Board are Charles Hildebrand, the appellant, by attorney Julie Realmuto of McCarthy & Duffy, Chicago, Illinois; and the Cook County Board of Review.

The subject property consists of a 77-year old, two-story style dwelling of masonry exterior construction containing 1,576 square feet of living area with a full, unfinished basement and one fireplace.

The appellant submitted evidence before the Property Tax Appeal Board claiming unequal treatment in the assessment process as the basis of the appeal. In support of the equity argument, the appellant submitted a grid analysis detailing three suggested comparable properties. The comparables are two-story frame, masonry or frame and masonry dwellings that are from 65 to 79 years old. The comparables contain from 1,747 to 1,952 square feet of living area and have improvement assessments ranging from \$14.18 to \$20.27 per square foot. The subject property has an improvement assessment of \$23.12 per square foot. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. In support of the subject's assessment, the board of review offered the property characteristic sheets and a spreadsheet detailing four suggested comparable properties. The comparable properties consist of two-story masonry dwellings that are from 66 to 82 years old. The dwellings contain from 1,296 to 1,520 square feet of living area and have improvement assessments ranging from \$24.28 to \$33.16 per square foot. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	\$	6,243
IMPR.:	\$	36,435
TOTAL:	\$	42,678

Subject only to the State multiplier as applicable.

PTAB/MKB/5-09

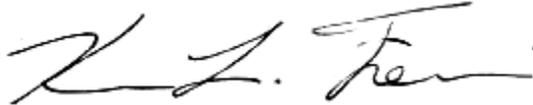

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Property Tax Appeal Board further finds that a reduction in the subject's assessment is not warranted.

The appellant's argument was unequal treatment in the assessment process. The Illinois Supreme Court has held that taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). The evidence must demonstrate a consistent pattern of assessment inequities within the assessment jurisdiction. After an analysis of the assessment data, the Board finds the appellant has not overcome this burden.

Both parties presented assessment data on a total of seven equity comparables that were similar to the subject in design. The appellant's comparable three and the board of review's comparables were similar in exterior construction to the subject and received the most weight in the Board's analysis. They were also similar in age and size to the subject and had improvement assessments ranging from \$20.27 to \$33.16 per square foot. The subject's improvement assessment of \$23.12 per square foot is within this range. After considering adjustments and the differences in both parties' suggested comparables when compared to the subject property, the Board finds the subject's improvement assessment is supported by the most comparable properties contained in the record and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
