

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: James Lucas
DOCKET NO.: 06-28089.001-R-1
PARCEL NO.: 14-20-326-041-0000

The parties of record before the Property Tax Appeal Board are James Lucas, the appellant, by attorney Michael Griffin in Chicago, and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$ 15,220
IMPR.: \$ 46,855
TOTAL: \$ 62,075**

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a one and one-half story multi-family dwelling of masonry construction containing 2,621 square feet of living area. The dwelling is 103 years old. Features of the home include a full, finished basement.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted information on four comparable properties described as two-story frame or masonry dwellings that are between 98 and 103 years old. The comparable dwellings range in size from 2,200 to 2,628 square feet of living area. The comparables have a full, unfinished basement and three have a two-car garage. The comparables have improvement assessments ranging from \$7.64 to \$15.13 per square foot of living area. The subject's improvement assessment is \$17.88 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented descriptions and assessment information on four comparable properties consisting of one and one-half or two-story masonry or frame and masonry dwellings that

are between 98 and 125 years old. The dwellings range in size from 2,441 to 3,363 square feet of living area. The comparables have a full or partial basement, two of which are finished, two have central air conditioning, two have a fireplace and three have a two-car garage. These properties have improvement assessments ranging from \$19.05 to \$24.90 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board finds the appellant's comparables differed from the subject in design and one differed in exterior construction. The board of review's comparables two through four also differed from the subject in exterior construction. As a result, these comparables received reduced weight in the Board's analysis. The board of review's comparable one was similar to the subject in design and exterior construction. The comparable was also similar to the subject in age, size and foundation. This comparable had an improvement assessment of \$22.56 per square foot and supports the subject's improvement assessment of \$17.88 per square foot. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's improvement assessment is equitable and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
