

PROPERTY TAX APPEAL BOARD'S DECISION

APPELLANT: John Clark
DOCKET NO.: 06-28640.001-R-1
PARCEL NO.: 05-34-217-012-0000

The parties of record before the Property Tax Appeal Board are John Clark, the appellant, by attorney Julie Realmuto of McCarthy & Duffy, Chicago, Illinois; and the Cook County Board of Review.

The subject property consists of an 86-year old, one and one-half story style dwelling of frame exterior construction containing 1,842 square feet of living area with a full, unfinished basement, one fireplace and a two-car garage.

The appellant submitted evidence before the Property Tax Appeal Board claiming unequal treatment in the assessment process as the basis of the appeal. In support of the equity argument, the appellant submitted a grid analysis detailing three suggested comparable properties. The comparables are one or one and one-half story frame, masonry or frame and masonry dwellings that are 71 or 81 years old. The comparables contain from 1,925 to 2,037 square feet of living area and have improvement assessments ranging from \$15.83 to \$18.86 per square foot. The subject property has an improvement assessment of \$21.00 per square foot. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. In support of the subject's assessment, the board of review offered the property characteristic sheets and a spreadsheet detailing four suggested comparable properties. The comparable properties consist of two-story frame dwellings that are from 84 to 96 years old. The dwellings contain from 2,070 to 2,154 square feet of living area and have improvement assessments ranging from \$23.88 to \$26.33 per square foot. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Property Tax

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	\$	19,208
IMPR.:	\$	38,681
TOTAL:	\$	57,889

Subject only to the State multiplier as applicable.

PTAB/MKB/7-09

Appeal Board further finds that a reduction in the subject's assessment is not warranted.

The appellant's argument was unequal treatment in the assessment process. The Illinois Supreme Court has held that taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). The evidence must demonstrate a consistent pattern of assessment inequities within the assessment jurisdiction. After an analysis of the assessment data, the Board finds the appellant has not overcome this burden.

Both parties presented assessment data and descriptions on a total of seven equity comparables that had varying degrees of similarity with the subject. Two of the appellant's comparables differed from the subject in exterior construction and the other differed in design from the subject. The board of review's comparables differed from the subject in design. Although none of the comparables was sufficiently similar to the subject to provide clear and convincing evidence the subject was inequitably assessed, the Board notes all comparables had improvement assessments ranging from \$15.83 to \$26.33 per square foot. The subject's \$21.00 per square foot improvement assessment is within this range.

As a result of this analysis, the Property Tax Appeal Board finds the appellant has not adequately demonstrated that the subject dwelling was inequitably assessed by clear and convincing evidence and a reduction is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
