

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Yaroslav Kot  
DOCKET NO.: 06-30293.001-R-1  
PARCEL NO.: 17-07-111-049-0000

The parties of record before the Property Tax Appeal Board are Yaroslav Kot, the appellant, by attorney Michael Griffin in Chicago, and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$ 10,543  
IMPR.: \$ 43,224  
TOTAL: \$ 53,767**

Subject only to the State multiplier as applicable.

**ANALYSIS**

The subject property consists of a 2,804 square foot parcel improved with a three-story mixed use building of masonry construction containing 3,960 square feet of building area. The dwelling is 125 years old. Features include; a partial, unfinished basement.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted information on three comparable properties described as two or three-story frame or masonry mixed use building that range in age from 108 to 128 years old. The comparable dwellings range in size from 3,318 to 8,630 square feet of building area. The comparables have improvement assessments ranging from \$5.10 to \$8.68 per square foot of building area. The subject's improvement assessment is \$10.92 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment of \$53,767 was disclosed. The board of review presented descriptions and assessment information on four comparable properties consisting of three-story masonry mixed use building that range in age from 92 to 117 years old. The dwellings range in size from 3,717 to

4,493 square feet of building area. Features include partial, unfinished basement for three comparables, a two-car garage for one comparable and a one and half-car garage for one comparable. These properties have improvement assessments ranging from \$10.84 to \$11.08 per square foot of building area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board finds the comparables submitted by the board of review were most similar to the subject in location, size, style, exterior construction, and features. Due to their similarities to the subject, these comparables received the most weight in the Board's analysis. These comparables had improvement assessments that ranged from \$10.84 to \$11.08 per square foot of building area. The subject's improvement assessment of \$10.92 per square foot of building area is within the range established by the most similar comparables. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's improvement assessment is equitable and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
