

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ted Kastrandas  
DOCKET NO.: 06-31758.001-C-1  
PARCEL NO.: 07-34-119-017-0000

The parties of record before the Property Tax Appeal Board are Ted Kastrandas, the appellant, by attorney George N. Reveliotis of Reveliotis Law, P.C., Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$193,796  
**IMPR:** \$83,604  
**TOTAL:** \$277,400

Subject only to the State multiplier as applicable.

**ANALYSIS**

The subject property is improved with a one-story masonry constructed, multi-tenant, strip shopping center with 6 commercial spaces. The building contains approximately 11,731 square feet of building area. The building was constructed in 1988 and is located on a 60,117 square foot site in Schaumburg, Schaumburg Township, Cook County.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. In support of this overvaluation argument the appellant submitted an appraisal estimating the subject property had a market value of \$730,000 as of January 1, 2004. The appellant also indicated the total assessment for the subject was \$320,494, which reflects a market value of approximately \$843,405 using the Cook County Real Property Assessment Classification Ordinance level of assessments for class 5A property of 38%. The appellant also indicated the property in this appeal was the subject matter an appeal before the Property Tax Appeal Board for the prior year under Docket No. 05-27993.001-C-3. In that appeal, the Property Tax Appeal Board issued a decision reducing the assessment to \$277,400 based upon an agreement of the parties. Based on this evidence the

appellant requested the subject's assessment be reduced to \$277,400 to reflect the appraised value.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds the evidence in the record supports a reduction in the subject's assessment.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. National City Bank of Michigan/Illinois v. Illinois Property Tax Appeal Board, 331 Ill.App.3d 1038 (3<sup>rd</sup> Dist. 2002). Proof of the market value of the subject property may consist of an appraisal of the subject property as of the assessment date at issue. (86 Ill.Admin.Code 1910.65(c)(1)). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value in the record is the appraisal submitted by the appellant estimating the subject property had a market value of \$730,000. The Board finds the subject's assessment reflects a market value greater than the appraised value presented by the appellant. The board of review did not submit any evidence in support of its assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board. Based on this record the Property Tax Appeal Board finds the subject property had a market value of \$730,000 as of January 1, 2006. Since market value has been determined the 38% level of assessment for class 5A property under the Cook County Real Property Assessment Classification Ordinance shall apply and a reduction in the subject's assessment is accordingly appropriate.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
