

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Stuart Altschuler
DOCKET NO.: 07-21140.001-R-1
PARCEL NO.: 14-29-215-014-0000

The parties of record before the Property Tax Appeal Board are Stuart Altschuler, the appellant(s), by attorney Donald T. Rubin, of Rubin & Norris in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 16,944
IMPR.: \$ 111,856
TOTAL: \$ 128,800

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property contains a 3,690 square foot parcel of land improved with a three-story dwelling of masonry construction containing 4,378 square feet of living area. The dwelling is 108 years old. Features of the home include a full basement, three baths, and air conditioning.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted descriptions and assessment information on three comparable properties described as two-story to three-story, frame or masonry dwellings that range: in age from 103 to 118 years; in size from 3,499 to 4,974 square feet of living area; and in improvement assessments from \$18.95 to \$24.26 square feet of living area. Features include two full baths to five and two half-baths, a two-car garage, and one property contains air conditioning. The subject's improvement assessment is \$25.55 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment of \$128,800 was disclosed. The board of review presented descriptions and assessment information on two comparable properties located within one-quarter mile radius of the subject property. The property consists of two to three-story, masonry dwellings. The dwellings range: in age from 105 to 117 years; and in size from 3,638 to 4,350 square feet of living area. Features include three and one half-baths, a partial basement with a formal recreation room, and air conditioning. These properties have improvement assessments ranging from \$25.54 to \$27.59 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board finds comparable #1 submitted by the appellant, and comparables #1 and #2 submitted by the board of review were most similar to the subject in size, exterior construction and age. Due to their similarities to the subject, these comparables received the most weight in the Board's analysis. These comparables had improvement assessments that ranged from \$24.26 to \$27.59 per square foot of living area. The subject's improvement assessment of \$25.55 per square foot of living area is within the range established by the most similar comparables. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's improvement assessment is equitable and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
