

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Brian Marron
DOCKET NO.: 07-23336.001-R-1
PARCEL NO.: 14-21-309-014-0000

The parties of record before the Property Tax Appeal Board are Brian Marron, the appellant, by attorney Patrick J. Cullerton, of Thompson Coburn LLP in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$22,154
IMPR: \$109,704
TOTAL: \$131,858

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a 3-story dwelling of frame construction containing 4,806 square feet of living area. The dwelling is 93 years old. Features of the building include a partial, unfinished basement and central air conditioning.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted information on six comparable properties described as 3-story masonry dwellings that range in age from 89 to 115 years old. The comparable dwellings range in size from 4,796 to 6,102 square feet of living area. All comparables feature full or partial, unfinished basements. One comparable features central air conditioning and five have 2 or 4-car garages. The comparables have improvement assessments ranging from \$15.06 to \$20.93 per square foot of living area. The subject's improvement assessment is \$22.83 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented descriptions and assessment information on one comparable property consisting of a 3-story

frame and masonry dwelling is 128 years old and contains 4,880 square feet of living area. This comparable features a full, unfinished basement, central air conditioning, a fireplace and a 3-car garage. This property has an improvement assessment of \$30.81 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

Comparables #1, #2, #3 and #6 submitted by the appellant were significantly larger than the subject and therefore received less weight in the Board's analysis. The Board finds comparables #4 and #5 submitted by the appellant and the comparable submitted by the board of review were most similar to the subject in size and style. Due to their similarities to the subject, these comparables received the most weight in the Board's analysis. These comparables had improvement assessments that ranged from \$15.06 to \$30.81 per square foot of living area. The subject's improvement assessment of \$22.83 per square foot of living area is within the range established by the most similar comparables. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's improvement assessment is equitable and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
