

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Wildfire Lincolnshire
DOCKET NO.: 07-24480.001-R-1
PARCEL NO.: 05-34-401-015-0000

The parties of record before the Property Tax Appeal Board are Wildfire Lincolnshire, the appellant(s), by attorney Brian P. Liston, of Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 25,417
IMPR.: \$ 101,750
TOTAL: \$ 127,167

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of 8,950 square feet of land improved with a ten year old, two-story, single-family dwelling of frame construction. The property contains 2,750 square feet of living area. Features of the home include two and one half-baths and air conditioning.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted information on four comparable properties described as two-story, frame or stucco dwellings that range: in age from 1 to 24 years; in size from 2,776 to 3,514 square feet of living area; and in improvement assessments from \$32.87 to \$34.79 square feet of living area. Features include one and one half-baths to five and one half-baths, and air conditioning. The subject's improvement assessment is \$37.00 per square feet of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment of \$127,167 was disclosed. The board of review presented descriptions and assessment information on four comparable properties consisting of two-story, frame dwellings that are between four and seven years old. The dwellings range in size from 2,682 to 3,697 square feet of living area. Features include three and one half-baths to four and one half-baths and air conditioning. These properties have improvement assessments ranging from \$40.02 to \$47.79 per square foot of living area.

In addition, the board provided sales data for comparables #2 and #4. They sold from June 1, 2004 to December 1, 2004, for a price of \$1,636,000 to \$1,750,000. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board finds the comparable #2 submitted by the appellant, and the comparables #1 and #2 submitted by the board of review were most similar to the subject in location, size, exterior construction and age. Due to their similarities to the subject, these comparables received the most weight in the Board's analysis. These comparables had improvement assessments that ranged from \$34.72 to \$47.79 per square foot of living area. The subject's improvement assessment of \$37.00 per square foot of living area is within the range established by the most similar comparables. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's improvement assessment is equitable and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
