

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Terri Harner
DOCKET NO.: 07-24723.001-R-1
PARCEL NO.: 09-24-207-024-0000

The parties of record before the Property Tax Appeal Board are Terri Harner, the appellant, by attorney Joel R. Monarch in Chicago, and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$7,431
IMPR.: \$31,780
TOTAL: \$39,211**

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a 1-story dwelling of masonry construction containing 1,258 square feet of living area. The dwelling is 50 years old. Features of the home include a full, unfinished basement and a 2-car garage.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted information on four comparable properties described as 1-story masonry dwellings that range in age from 50 to 51 years old. The comparable dwellings all contain 1,270 square feet of living area. All comparables feature full basements, two of which are finished. Three have central air conditioning. All four comparables feature 2-car garages. The comparables have improvement assessments ranging from \$22.80 to \$23.58 per square foot of living area. The subject's improvement assessment is \$25.26 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented descriptions and assessment information on four comparable properties consisting of 1-story masonry dwellings that range in age from 48 to 51 years old. The

dwellings range in size from 1,080 to 1,196 square feet of living area. All comparables feature full or partial basements, one of which is finished. Three have central air conditioning. All have 1, 1½ or 2-car garages. These properties have improvement assessments ranging from \$25.26 to \$27.50 per square foot of living area. The board of review also disclosed that comparable #4 was purchased in July 2006 for \$370,000. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

All eight comparables submitted by both parties were 1 story masonry dwellings similar to the subject in location, size and age. The Board finds comparable #2 submitted by the appellant and comparable #4 submitted by the board of review were most similar to the subject in features. Due to their similarities to the subject, these comparables received the most weight in the Board's analysis. These comparables had improvement assessments of \$23.58 and \$26.45 per square foot of living area. The subject's improvement assessment of \$25.26 per square foot of living area is between these two comparables. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's improvement assessment is equitable and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
