

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Allen Smith  
DOCKET NO.: 07-28195.001-R-2  
PARCEL NO.: 18-07-304-014-0000

The parties of record before the Property Tax Appeal Board are Allen Smith, the appellant, by attorney Joel R. Monarch in Chicago, the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$ 24,320  
IMPR.: \$ 136,893  
TOTAL: \$ 161,213**

Subject only to the State multiplier as applicable.

**ANALYSIS**

The subject property consists of a 19,000 square foot parcel improved with a four-year-old, two-story, single-family dwelling of masonry construction containing 5,189 square feet of living area and located in Lyons Township, Cook County. Features of the residence include a full-finished basement, central air-conditioning, a fireplace and a three-car attached garage. The subject property is an owner occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board the prior year under docket number **06-25821.001-R-2**. In that appeal the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property based on the evidence submitted by the parties.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) provides in part:

"If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall

remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review."

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds that the prior year's decision should be carried forward to the subsequent year subject only to any equalization factor applied to that year's assessments. This finding is pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185). The record contains no evidence indicating the subject property sold in an arm's length transaction subsequent to the Board's decision or that the assessment year in question is in a different general assessment period. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the Board's prior year's finding plus the application of any factor applied for equalization.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
