

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Bob Armstrong
DOCKET NO.: 07-28952.001-R-1
PARCEL NO.: 14-33-304-007-0000

The parties of record before the Property Tax Appeal Board are Bob Armstrong, the appellant(s), by attorney Arnold G. Siegel, of Siegel & Callahan, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$19,049
IMPR.: \$61,271
TOTAL: \$80,320

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of a 3,175 square foot parcel of land improved with a 118-year old, three-story, masonry, apartment building and a coach house. The appellant argues that the market value of the subject property is not accurately reflected in the property's assessed valuation as the basis of this appeal.

In support of the market value argument, the appellant submitted a summary appraisal report of the subject property with an effective date of January 1, 2008. The appraiser estimated a market value for the subject of \$800,000, based upon three traditional approaches to value. Based upon this evidence, the appellant requests a reduction in the subject's assessment.

The board of review submitted "Board of Review-Notes on Appeal" wherein the subject's total assessment was \$142,067. The subject's assessment reflects a market value of \$1,415,010 using the Illinois Department of Revenue 2007 median level of assessment of 10.04% for class 2, residential property.

In addition, the board of review submitted detailed descriptive and assessment information on four properties suggested as comparable. The properties are described as two or three-story, masonry or frame and masonry, multi-family dwellings with various amenities. They range: in age from 117 to 133; in size from 2,968 to 4,356 square feet of living area; and in improvement assessments from \$34.43 to \$42.02 per square foot of living area. Based upon this evidence, the board requested confirmation of the subject's assessment.

After considering the arguments and reviewing the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal.

When overvaluation is claimed the appellant has the burden of proving the value of the property by a preponderance of the evidence. National City Bank of Michigan/Illinois v. Illinois Property Tax Appeal Board, 331Ill.App.3d 1038 (3rd Dist. 2002); Winnebago County Board of Review v. Property Tax Appeal Board, 313 Ill.App.3d 179 (2nd Dist. 2000). Proof of market value may consist of an appraisal, a recent arm's length sale of the subject property, recent sales of comparable properties, or recent construction costs of the subject property. 86 Ill.Admin.Code 1910.65(c). Having considered the evidence presented, the Board concludes that the appellant has met this burden and that a reduction is warranted.

In determining the fair market value of the subject property, the Board thoroughly considered the parties' evidence and finds the best evidence to be the appellant's appraisal. The Board finds this appraisal to be persuasive for the appraiser inspected the subject property and developed the three traditional approaches to value in estimating the subject's market value. Moreover, market data was used to obtain improved sale comparables while providing sufficient detail regarding each sale as well as appropriate adjustments, where necessary.

Therefore, the Board finds that the subject property contained a market value of \$800,000 for tax year 2007. Since the market value of the subject has been established, the Illinois Department of Revenue's 2007 three-year median level of assessment of 10.04% for class 2, residential property will apply and a reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
