

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Castelli
DOCKET NO.: 07-29945.001-R-1
PARCEL NO.: 16-23-422-009-0000

The parties of record before the Property Tax Appeal Board are John Castelli, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 5,124
IMPR.: \$ 13,450
TOTAL: \$ 18,574

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of 3,125 square feet of land improved with 113-year old, two-story, single-family dwelling of frame exterior construction. The improvement contains two baths and a slab basement.

The appellant, via counsel, argued that the market value of the subject property is not accurately reflected in its assessed value. In support of this overvaluation argument the appellant submitted recent sales data on page #2 of his pleadings, indicating the subject sold on January 2007 for \$185,000. The pleadings stated that the purchase of the subject was not a transfer between family or related corporations. Based on this evidence, the appellant requested the subject's assessment be reduced to reflect the subject's purchase price.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's total assessment of \$20,805 was disclosed. This assessment reflects a market value of \$207,221 using the Illinois Department of Revenue's 2007 three year median

level of assessment for class 2 property of 10.04%. In support of the subject's assessment, the board of review submitted descriptions and assessment information on four comparable properties. These properties are described as two-story, frame or masonry single-family dwellings. The properties are 108 to 118 years old, contain between 2,098 and 2,252 square feet of living area, and have improvement assessments ranging \$7.67 to \$8.48 per square foot of living area. The board of review confirmed the sale of the subject in 2007. In addition, the board submitted sales information regarding comparable #2 which sold in January 2004 for \$195,000 or \$92.33 per square foot of living area. As a result of this analysis, the board requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds the evidence in the record supports a reduction in the subject's assessment.

When overvaluation is claimed the appellant has the burden of proving the value of the property by a preponderance of the evidence. National City Bank of Michigan/Illinois v. Illinois Property Tax Appeal Board, 331 Ill.App.3d 1038 (3rd Dist. 2002); Winnebago County Board of Review v. Property Tax Appeal Board, 313 Ill.App.3d 179 (2nd Dist. 2000). Proof of market value may consist of an appraisal, a recent arm's length sale of the subject property, recent sales of comparable properties, or recent construction costs of the subject property. 86 Ill.Admin.Code 1910.65(c). Having considered the evidence presented, the PTAB concludes that the evidence indicates a reduction is warranted.

The PTAB finds the best evidence of market value is the sale of the subject in January 2007 for \$185,000. The appellant and the board of review submitted un-rebutted evidence of this sale. In addition, the pleadings indicate that the sale was an arm's length transaction. The subject's assessment reflects a market value greater than the purchase price.

Based on this record the Property Tax Appeal Board finds that the subject property had a market value of \$185,000 for the 2007 assessment year. Since market value has been determined, the 2006 three year median level of assessment for class 2 property as established by the Illinois department of Revenue of 10.04% shall apply and a reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
