

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joe Decker
DOCKET NO.: 08-22987.001-R-1
PARCEL NO.: 05-34-401-015-0000

The parties of record before the Property Tax Appeal Board are Joe Decker, the appellant(s), by attorney Brian P. Liston, of Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 25,417
IMPR.: \$ 101,750
TOTAL: \$ 127,167

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property contains a 8,950 square foot parcel of land improved with a two-story dwelling of frame construction containing 2,750 square feet of living area. The dwelling is ten years old. Features of the home include two and one half-baths, air conditioning, an unfinished basement, and two fireplaces.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted descriptions and assessment information on four comparable properties described as two-story, frame or stucco dwellings that range: in age from 1 to 24 years; in size from 2,776 to 3,514 square feet of living area; and in improvement assessments from \$33.02 to \$35.93 square feet of living area. Features include one and one half-baths to five and one half-baths, two or three fireplaces for two properties, and air conditioning. The subject's improvement assessment is \$37.00 per square feet of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment of \$127,167 was disclosed. The board of review presented descriptions and assessment information on three comparable properties consisting of two-story, frame dwellings that are between one and seven years old. The dwellings range in size from 2,682 to 3,145 square feet of living area. Features include two and one half-baths to three and one half-baths, air conditioning and a full basement. These properties have improvement assessments ranging from \$39.41 to \$47.79 per square foot of living area.

In addition, the board provided sales data for comparable #3. It sold on March 1, 2007 for a price of \$1,600,000. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board finds comparables #2 submitted by the appellant and comparables #1 and #3 submitted by the board of review, were most similar to the subject in design, size, exterior construction and/or age. Due to their similarities to the subject, these comparables received the most weight in the Board's analysis. These comparables had improvement assessments that ranged from \$34.72 to \$40.02 per square foot of living area. The subject's improvement assessment of \$37.00 per square foot of living area is within the range established by the most similar comparables. Therefore, the Board finds the subject's improvement assessment is equitable and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
