

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Frank Miller  
DOCKET NO.: 08-26962.001-I-1 through 08-26962.002-I-1  
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Frank Miller, the appellant, by attorney Michael E. Crane, of Crane and Norcross in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
08-26962.001-I-1	15-05-300-019-0000	43,428	86,920	\$130,348
08-26962.002-I-1	15-05-300-026-0000	41,708	54,744	\$96,452

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2008 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 41-year old, one-story, masonry, multi-tenant industrial building. The property is located in Proviso Township, Cook County. The subject is

classified as a class 5-93, industrial property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$630,000 as of January 1, 2008, while developing all three of the traditional approaches to value. The appraisal indicated that the subject's building size was 21,400 square feet of building area sited on a 72,507 square foot lot.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$257,772. The subject's assessment reflects a market value of \$716,033, when applying the 2008 level of assessment for class 5-93, industrial property under the Cook County Real Property Assessment Classification Ordinance of 36%.

In support of its contention of the correct assessment, the board of review submitted raw, unadjusted sales information on seven suggested comparable sales.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant *met* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of market value as well as building and land size to be the *appraisal submitted by the appellant*. The Board finds the subject property had a market value of \$630,000 as of the assessment date at issue. Since market value has been established the 2008 level of assessment for class 5-93, industrial property under the Cook County Real Property Assessment Classification Ordinance of 36% shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
