

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Adam Klugman
DOCKET NO.: 09-20777.001-R-1 through 09-20777.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Adam Klugman, the appellant, by attorney Joel R. Monarch in Chicago, and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
09-20777.001-R-1	15-12-110-047-0000	3,336	28,704	\$32,040
09-20777.002-R-1	15-12-110-051-0000	3,336	28,704	\$32,040

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of two land parcels with a 14-year old, two-story, single-family dwelling with frame exterior construction. Features of the home include a full basement, central air conditioning, a fireplace and a two-car garage. The property has a 3,925 square foot site and is located in River Forest Township, Cook County. The subject is classified as a

class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$720,000 as of January 1, 2009, which developed the sales comparison approach to value. As of the physical inspection, the appraisal indicated that the subject's building contained 2,846 square feet of living area supported by interior and exterior photographs as well as a building schematic with size calculations thereon.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the owner-occupied subject of \$86,246. The subject's assessment reflects a market value of \$969,056 when applying the 2009 three year median level of assessment for class 2 property of 8.90% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted copies of the appellant's evidence from the board of review's hearing level. In addition, a copy of the subject's property characteristic printouts from the assessor's database which reflected that a homeowner's exemption was accorded the subject in tax year 2009 as well as a building size of 2,836 square feet of living area.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant *met* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of market value and building size to be the *appraisal submitted by the appellant*. The Board finds the subject property had a market value of \$720,000 as of the assessment date at issue. Since market value has been established the 2009 three year average median level of assessment for class 2 property of 8.90% as determined by the

Docket No: 09-20777.001-R-1 through 09-20777.002-R-1

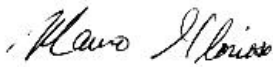

Illinois Department of Revenue shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
