

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Roy Kallas
DOCKET NO.: 09-20889.001-R-1
PARCEL NO.: 15-01-306-010-0000

The parties of record before the Property Tax Appeal Board are Roy Kallas, the appellant, by attorney Joel R. Monarch in Chicago, and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 16,356
IMPR: \$ 27,966
TOTAL: \$ 44,322

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 46-year old, one-story, single-family dwelling with masonry exterior construction. Features of the home include a full basement, central air conditioning, a fireplace and a three-car garage. The property has a 20,446 square foot site and is located in River Forest Township, Cook County. The subject is classified as a class 2

property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$498,000 as of January 1, 2009, which developed the cost and sales comparison approaches to value. As of the physical inspection, the appraisal indicated that the subject's building contained 1,942 square feet of living area supported by interior and exterior photographs as well as a building schematic with size calculations thereon.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the owner-occupied subject of \$69,830. The subject's assessment reflects a market value of \$784,607 when applying the 2009 three year median level of assessment for class 2 property of 8.90% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted descriptive and assessment information on one suggested equity comparable.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant *met* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of market value and building size to be the *appraisal submitted by the appellant*. The Board finds the subject property had a market value of \$498,000 as of the assessment date at issue. Since market value has been established the 2009 three year average median level of assessment for class 2 property of 8.90% as determined by the Illinois Department of Revenue shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).
