

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kevin Martin
DOCKET NO.: 09-21271.001-R-1
PARCEL NO.: 14-07-104-018-0000

The parties of record before the Property Tax Appeal Board are Kevin Martin, the appellant(s), by attorney Joanne Elliott, of Elliott & Associates, P.C. in Des Plaines; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 32,080
IMPR.: \$ 39,120
TOTAL: \$ 71,200

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of three improvements. Improvement #1 is a two-story dwelling of frame and masonry construction with 2,992 square feet of living area. Improvement #1 is 111 years old. Features of Improvement #1 include a full unfinished basement. Improvement #2 is a two-story dwelling of frame construction with 1,372 square feet of living area. Improvement #2 is a 111 year old coach house. Features of Improvement #2 include a full unfinished basement. Improvement #3 is a two-story dwelling of

frame and masonry construction with 1,521 square feet of living area. Improvement #3 is a 111 year old coach house. Features of Improvement #3 include a full unfinished basement and a two-car garage. The property has a 10,025 square foot site, and is located in Chicago, Lake View Township, Cook County. Improvement #1 and Improvement #3 are both classified as class 2-11 property under the Cook County Real Property Assessment Classification Ordinance. Improvement #2 is classified as a class 2-05 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$800,000 as of January 25, 2008.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$106,838. The subject's assessment reflects a market value of \$1,200,427 when applying the 2009 three year average median level of assessment for class 2 property of 8.90% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables for Improvement #1, four equity comparables for Improvement #2, and four equity comparables for Improvement #3.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$800,000 as of the assessment date at issue. Since market value has been established the 2009 three year average median level of assessment for class 2 property of 8.90%
