

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Roger Loomis
DOCKET NO.: 09-21582.001-R-1
PARCEL NO.: 14-20-111-018-0000

The parties of record before the Property Tax Appeal Board are Roger Loomis, the appellant(s), by attorney Robert M. Sarnoff, of Sarnoff & Baccash in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 16,421
IMPR.: \$ 49,439
TOTAL: \$ 65,860

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of two improvements. Improvement #1 is a three-story dwelling of frame construction with 2,967 square feet of living area. Improvement #1 is 108 years old. Features of Improvement #1 include three baths and a full unfinished basement. Improvement #2 is a three-story dwelling of frame construction with 546 square feet of living area. Improvement #2 is 111 years old. Features of Improvement #2 include three baths and a full unfinished basement. The property has a 3,041

square foot site, and is located in Lake View Township, Cook County. Improvement #1 is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance. Improvement #2 is classified as a class 2-02 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$740,000 as of January 1, 2009.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$102,788. The subject's assessment reflects a market value of \$1,154,921 when applying the 2009 three year average median level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 8.90% as determined by the Illinois Department of Revenue. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables for Improvement #1, and one equity comparable for Improvement #2.

In rebuttal, the appellant argued that the board of review's evidence should be given no weight because it was unresponsive to the appellant's market value argument.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$740,000 as of the assessment date at issue. Since market value has been established the 2009 three year average median level of assessment for class 2 property under the Cook County Real Property Assessment Classification

Docket No: 09-21582.001-R-1

Ordinance of 8.90% as determined by the Illinois Department of Revenue shall apply. 86 Ill.Admin.Code §1910.50(c)(2).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
