

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ahmad Hosseini  
DOCKET NO.: 09-22229.001-R-1  
PARCEL NO.: 14-19-303-004-0000

The parties of record before the Property Tax Appeal Board are Ahmad Hosseini, the appellant(s), by attorney Kevin B. Hynes, of O'Keefe Lyons & Hynes, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 15,624  
**IMPR.:** \$ 49,643  
**TOTAL:** \$ 65,267

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story, two unit apartment dwelling of masonry construction with 2,670 square feet of living area. The dwelling was constructed in 1914. The

property has a 3,720 square foot site and is located in Chicago, Lake View Township, Cook County.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on six equity comparables.

In addition the appellant brief states that the subject was purchased in October 2007 for \$480,000. No further evidence was submitted regarding sale of the subject.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$65,267. The subject property has an improvement assessment of \$49,643 or \$18.59 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables.

#### Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be appellant's comparables #3 and #5 and the board of review's comparables #1, #2, and #4. These comparables had improvement assessments that ranged from \$12.58 to \$20.32 per square foot of living area. The subject's improvement assessment of \$18.59 per square foot of living area falls within the range established by the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds that the appellant did not submit sufficient evidence that the October 2007 sale was a recent arm's length transaction. No information was provided in the evidence or pleadings as to whether the buyer and seller were related, the subject was advertised for sale on the open market, the sale was subject to a foreclosure, and if real estate brokers were used. Therefore, the Board gives little weight to the appellant's evidence and a reduction in the subject's market value is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
