

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Wally Pecs
DOCKET NO.: 09-22441.001-R-1
PARCEL NO.: 10-07-200-038-0000

The parties of record before the Property Tax Appeal Board are Wally Pecs, the appellant, by attorney Leonard Schiller, of Schiller Klein PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 15,730
IMPR.: \$ 51,770
TOTAL: \$ 67,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a one-story dwelling of frame construction with 3,183 square feet of living area. The dwelling is 45 years old. Features of the home include two and

one-half baths, a partial unfinished basement, central air conditioning, two fireplaces, and a two-car garage. The property has a 28,601 square foot site, and is located in Niles Township, Cook County. The subject is classified as a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$675,000 as of January 1, 2009. The appraisal made large adjustments for square footage of living area and lot size. Additionally, two of the three comparables were located two or more miles away from the subject.

The board of review submitted its "Board of Review-Notes on Appeal" disclosing the total assessment for the subject of \$101,728. The subject's assessment reflects a market value of \$1,143,011 or \$359.10 per square foot of living area, including land, when applying the 2009 three year average median level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 8.90% as determined by the Illinois Department of Revenue. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables.

In written rebuttal, the appellant stated that the board of review did not address the appellant's market value argument.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the sales comparables contained in the appraisal submitted by the appellant. Large adjustments were made for lot size and square footage of living area. Additionally, two of the three comparables were located two or more miles away from the

subject. Accordingly, an assessment reduction to the appellant's request is granted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
