

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Andrew Brainerd  
DOCKET NO.: 09-22537.001-R-1  
PARCEL NO.: 14-28-313-027-0000

The parties of record before the Property Tax Appeal Board are Andrew Brainerd, the appellant(s), by attorney Thomas J. Thorson, of Raila & Associates, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:     \$ 56,934**  
**IMPR.:    \$ 98,816**  
**TOTAL:    \$ 155,750**

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story multi-unit building of masonry construction with a total of 5,615 square feet of living area and a two unit coach house. The building was constructed in 1890. Features of the subject include a full

finished basement, central air conditioning, two fireplaces, two-car garage, and four units. The property has a 8,896 square foot site and is located in Chicago, Lake View Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted two appraisals. Appraisal #1 estimated that the subject property had a market value of \$1,750,000 as of March 30, 2009. Appraisal #2 estimated that the subject had a market value of \$1,650,000 as of September 23, 2009.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$193,232. The subject's assessment reflects a market value of \$2,171,146 or \$386.67 per square foot of living area, land included, when using the 2009 three year average median level of assessment for Cook County of 8.90% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted four equity comparables and sales data for all comparable #4.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be appraisal #1. Appraisal #1's effective date of March 30, 2009 is closest to the 2009 tax lien date of January 1, 2009. The subject's assessment reflects a market value of \$2,171,146 which is above the best evidence of market value in the record. The Board finds the subject property had a market value of \$1,750,000 as of the assessment date at issue. Since market value has been established the 2009 three year average median level of assessments for Cook County of 8.90% as determined by the Illinois Department of Revenue shall apply. (86 Ill.Admin.Code §1910.50(c)(1)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
