

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Alan Iovine  
DOCKET NO.: 09-22856.001-R-1  
PARCEL NO.: 14-19-312-023-0000

The parties of record before the Property Tax Appeal Board are Alan Iovine, the appellant(s), by attorney Patrick J. Cullerton, of Thompson Coburn LLP in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$ 13,020  
IMPR: \$ 89,775  
TOTAL: \$ 102,795**

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject consists of a two-story dwelling of masonry construction with 2,751 square feet of living area. The dwelling is ten years old. Features of the home include a full basement with a formal recreation room, central air conditioning, three fireplaces, and a two-car garage. The property has a 3,100 square foot site, and is located in Chicago, Lake View Township, Cook County. The subject is

classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$990,000 as of January 1, 2009. The appraisal also indicated the subject property was purchased on March 14, 2008 for a price of \$1,155,000 in an arm's-length transaction. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the appraised value.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$113,487. The subject's assessment reflects a market value of \$1,275,135, or \$463.52 per square foot of living area, including land, when applying the 2009 three year median level of assessment of 8.90% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables. The board of review also submitted evidence disclosing the subject property was purchased on March 1, 2008 for a price of \$1,155,000. Additionally, the board of review submitted information on one comparable sale.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in March 2008 for a price of \$1,155,000. The appellant provided an appraisal indicating the 2008 sale had the elements of an arm's length transaction. The Board finds the purchase price is below the market value reflected by the assessment. The Board also finds the board of review's evidence corroborates the sale date and price.

Therefore, based on this record the Board finds the subject property had a market value of \$1,155,000 as of January 1, 2009. Since market value has been determined the 2009 three year median level of assessment under the Cook County Real Property Assessment Classification Ordinance of 8.90% shall apply. 86 Ill.Admin.Code §1910.50(c)(2).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
