

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Theodore Weldon  
DOCKET NO.: 09-22890.001-R-1  
PARCEL NO.: 14-29-106-012-0000

The parties of record before the Property Tax Appeal Board are Theodore Weldon, the appellant(s), by attorney Jason T. Shilson, of O'Keefe Lyons & Hynes, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 16,250  
**IMPR:** \$ 41,600  
**TOTAL:** \$ 57,850

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story apartment dwelling of frame construction with 4,604 square feet of living area per the appraisal. The apartment dwelling was constructed in 1893 and consists of two improvements. Improvement #1 is a two-story with three unit building. Improvement #2 is a one and one-half story coach house located in the rear of the property. The property has a 3,125 square foot site and is located in Chicago, Lake View Township, Cook County.

The appellant argued that there was unequal treatment in the assessment process of the subject's improvement, and also that the fair market value of the subject property was not accurately reflected in its assessed value as the bases of this appeal.

In support of the equity argument, the appellant submitted descriptive and assessment information for 18 properties suggested as comparable to the subject. In support, the appellant submitted the Cook County Assessor's website printouts for all of the comparables.

In support of the market value argument, the appellant submitted 2006 to 2008 operating income/loss statement, the appellant's Schedule E's for 2006, 2007, and 2008 tax years, a 2009 rent roll, and interior pictures of the subject. In addition, the appellant submitted an appraisal estimating the subject property had a market value of \$650,000 as of January 1, 2010. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The Cook County Board of Review submitted its "Board of Review-Notes on Appeal," wherein the subject's total assessment of \$97,792 was disclosed. The subject's assessment reflects a market value of \$1,098,787 or \$238.66 per square foot of living area, land included, when using the 2009 three year average median level of assessment for Cook County of 8.90% as determined by the Illinois Department of Revenue.

In support of the subject's assessment, the board of review submitted descriptive and assessment information for eight properties.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value of \$1,098,787, which is above the best evidence of market value in the record. The Board finds the subject property had a market value of \$650,000 as of the assessment date at issue. Since market value has been established the 2009 three year average median level of assessments for Cook County of 8.90% as determined by the Illinois Department of Revenue shall apply. (86 Ill.Admin.Code §1910.50(c)(1)). Since the subject's market value has been

Docket No: 09-22890.001-R-1

determined, the Board finds that the subject's value is now fair and equitable assessed.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
