

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ronald Zelikow
DOCKET NO.: 09-22965.001-C-1
PARCEL NO.: 14-30-106-094-1001

The parties of record before the Property Tax Appeal Board are Ronald Zelikow, the appellant(s), by attorney Brian P. Liston, of Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 7,797
IMPR.: \$ 72,903
TOTAL: \$ 80,700

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a first floor commercial condominium of masonry construction with 2,935 square feet of building area. The building is nine years old. The property has a 1,614 square foot site, and is located in Chicago, Lake View Township, Cook County. The subject is classified as a class 5-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables from outside the subject's building.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$80,700. The subject property has an improvement assessment of \$72,903, or \$24.84 per square foot of building area.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales from the CoStar Comps Service.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds that none of the comparables submitted by the parties were similar to the subject, as none of them were located within the subject's building. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed, and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
