

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: 3752 N. Magnolia, LLC  
DOCKET NO.: 09-22999.001-R-1  
PARCEL NO.: 14-20-117-026-0000

The parties of record before the Property Tax Appeal Board are 3752 N. Magnolia, LLC, the appellant, by attorney Arnold G. Siegel, of Siegel & Callahan, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$20,088  
IMPR.: \$37,762  
TOTAL: \$57,850**

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property contains two improvements, each 111 years old. Improvement #1 consists of a three-story dwelling of masonry construction containing 3,750 square feet of living

area. Features of Improvement #1 include a full basement. Improvement #2 consists of a two-story dwelling of masonry construction containing 643 square feet of living area. Features of Improvement #2 include a two-car garage. The property has a 3,720 square foot site and is located in Lake View Township, Cook County. The property is a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$650,000 as of January 1, 2009.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the assessment for Improvement #1 of \$53,675 and for Improvement #2 of \$15,396. The land assessment is \$20,088. The subject's total assessment of \$89,159 reflects a market value of \$1,001,787 when applying the 2009 three-year median level of assessment of 8.90% for class 2 property as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted descriptive and assessment data on four suggested equity comparables for each improvement.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$650,000 as of the assessment date at issue. Since market value has been established, the 2009 three-year median level of assessment of 8.90% for class 2 property as determined by the Illinois Department of Revenue shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).
