

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mohammed A. Hussain
DOCKET NO.: 09-23681.001-R-1 through 09-23681.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Mohammed A. Hussain, the appellant, by attorney Arnold G. Siegel, of Siegel & Callahan, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
09-23681.001-R-1	10-33-427-009-0000	13,200	51,340	\$64,540
09-23681.002-R-1	10-33-427-012-0000	1,320	0	\$ 1,320

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is 31 years old, and consists of a multi-level dwelling of masonry construction. The appraisal report submitted by the appellant disclosed 3,235 square feet of living area, and a parcel of land only. Features of the home include a

partial basement, air conditioning, a fireplace and a two-and-a-half-car garage. The parcel containing the improvement, property index number 009 (PIN 009), has a 13,200 square foot site; the parcel of land only, property index number (PIN 012), has a 1,320 square foot site. The subject property is located in Niles Township, Cook County. The property is a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$740,000 as of April 13, 2011.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the parcel containing the improvement (PIN 009) of \$94,469. The subject's assessment reflects a market value of \$1,061,449 when applying the 2009 three-year median level of assessment of 8.90% for class 2 property as determined by the Illinois Department of Revenue. The board of review disclosed the total assessment for the parcel of land only (PIN 012) of \$1,320.

In support of its contention of the correct assessment, the board of review submitted descriptive and assessment data on four suggested equity comparables and one sale comparable.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$740,000 as of the assessment date at issue. Since market value has been established, the 2009 three-year median level of assessment of 8.90% for class 2 property as

Docket No: 09-23681.001-R-1 through 09-23681.002-R-1

determined by the Illinois Department of Revenue shall apply.
(86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
