

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mark Staublin  
DOCKET NO.: 09-23712.001-R-1  
PARCEL NO.: 14-17-304-044-0000

The parties of record before the Property Tax Appeal Board are Mark Staublin, the appellant, by attorney Brian P. Liston of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$16,028  
**IMPR.:** \$0  
**TOTAL:** \$16,028

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The subject property consists of a 3,759 square foot vacant parcel. The property is located in Chicago, Lake View Township, Cook County. The subject is classified as a class 1-00 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of

\$18,043. The subject's assessment reflects a market value of \$180,430 or \$48.00 per square foot of land area, when applying the Cook County level of assessment for class 1 property of 10%.

In support of its contention of the correct assessment, the board of review submitted information on three equity comparables.

The board of review also disclosed that the subject sold in October 2007 for \$225,000.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appellant's comparable sales. The Board further finds that, of the three sales, the appellant's comparable #1 is the most similar in location and size to the subject. This comparable sold in October 2009 for \$130,000 or \$42.64 per square foot of land area. The Board gave less weight to the subject's 2007 sale for \$225,000 due to its occurrence more than 14 months prior to the assessment date at issue. The Board gave little weight to the equity comparables presented by the board of review. The Board finds this evidence is not responsive to the overvaluation argument made by the appellant. The best comparables sold for prices ranging from \$22.86 to \$42.64 per square foot of land area. The subject's assessment reflects a market value of \$48.00 per square foot of land area, which is above the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
