

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Steve Kanagannis
DOCKET NO.: 09-24426.001-C-1
PARCEL NO.: 13-07-101-033-0000

The parties of record before the Property Tax Appeal Board are Steve Kanagannis, the appellant(s), by attorney Huan Cassioppi Tran, of Flanagan/Bilton LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,887
IMPR.: \$19,656
TOTAL: \$25,543

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 4,205 square foot parcel of land improved with a 65-year old, mixed-use building containing 4,014 square feet of building area. The property is located in Jefferson Township, Cook County. The subject is classified as a

class 2-12 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased in January 2006 for a price of \$287,000. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$44,621. The subject's assessment reflects a market value of \$501,360 using the Illinois Department of Revenue's three-year median level of assessment for class 2 property of 8.90%.

In support of its contention of the correct assessment the board of review submitted evidence concerning a different appeal on a different parcel identification number.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant *met* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in January 2006 for a price of \$287,000. The appellant provided evidence demonstrating the sale was not between related parties and the board of review did not refute the arm's length nature of the sale. Based on this record the Board finds the subject property had a market value of \$287,000 as of January 1, 2009. Therefore, the Board finds the subject overvalued and a reduction to that requested by the appellant is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
