

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mark Foreit
DOCKET NO.: 09-24771.001-R-1
PARCEL NO.: 20-03-414-038-1002

The parties of record before the Property Tax Appeal Board are Mark Foreit, the appellant(s), by attorney Michael T. Reynolds, of Rieff Schramm Kanter & Guttman in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 1,584
IMPR: \$ 2,866
TOTAL: \$ 4,450

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a unit which is part of a four-unit, residential condominium building. The property was

constructed in 2006. The building is located in Hyde Park, Township, Cook County. The subject is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on December 11, 2008 for a price of \$50,000. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$22,617. The subject's assessment reflects a market value of \$254,124, land included, when using the 2009 three year average median level of assessments for class 2 property of 8.90% under the Cook County Real Property Assessment Classification Ordinance as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in December 2008 for a price of \$50,000. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction. The appellant completed Section IV - Recent Sale Data of the appeal disclosing the parties to the transaction were not related, the property was sold using a Realtor, the property had been advertised on the open market with the Multiple Listing Service and it had been on the market for more than six months. In further support of the transaction the appellant submitted a copy of the sales contract and settlement statement. The Board finds the purchase price is below the market value reflected by the assessment.

The Board finds the board of review did present evidence to refute the contention that the purchase price was reflective of market value and that evidence supports a reduction in the subject's assessment. Based on this record the Board finds the subject property had a market value of \$50,000 as of January 1, 2009. Since market value has been determined the 2009 three year average median level of assessments for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 8.90% shall apply. 86 Ill.Admin.Code §1910.50(c)(2).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
