ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ralph Grande
DOCKET NO.: 09-24957.001-R-1 through 09-24957.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Ralph Grande, the appellant, by attorney Joseph G. Kusper of Storino Ramello & Durkin in Rosemont; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

Subject only to the State multiplier as applicable.

ANALYSIS

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of two parcels that are improved with a two-story dwelling of frame and masonry construction. The dwelling is approximately 103 years old and has 3,833 square

feet of living area. Features of the home include a partial unfinished basement, central air conditioning, three fireplaces and a three-car garage. The property has an 8,712 square foot site and is located in Palatine, Palatine Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on three equity comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$68,260. The subject property has an improvement assessment of \$64,122 or \$16.73 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of assessment equity to be appellant's comparables #2 and #3. These comparables were very similar to the subject in location, design, exterior construction, age and foundation. Moreover, comparable #2 was most similar to the subject in living area. These comparables had improvement assessments of \$11.52 and \$12.42 per square foot of living area. The subject's improvement assessment of \$16.73 per square foot of living area falls above the improvement assessments of the best comparables in this record. Based on this record, the Board finds the appellant demonstrated with clear and convincing evidence that the subject's improvement was

inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
