

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Gibbons Construction
DOCKET NO.: 09-25360.001-C-1 through 09-25360.003-C-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Gibbons Construction, the appellant(s), by attorney Jason T. Shilson, of O'Keefe Lyons & Hynes, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
09-25360.001-C-1	13-24-102-004-0000	12,796	47,662	\$60,458
09-25360.002-C-1	13-24-102-005-0000	24,375	0	\$24,375
09-25360.003-C-1	13-24-102-040-0000	12,796	24,871	\$37,667

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of three parcels of land totaling 9,750 square feet and improved with a 97-year old, one-story, auto repair building containing 6,500 square feet of building

area. The property is located in Chicago, Jefferson Township, Cook County. The property is a class 5-17 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$490,000 as of January 1, 2009.

In addition, the attorney's brief discloses that the subject was purchased by the appellant in March 2010 for \$270,000. The appellant argued this purchase price was deemed an arm's length sale based on the vacancy of the building; the purchase was in lieu of foreclosure. In support of this argument, the appellant included copies of the recorder of deed's web page printout, the settlement statement, and the owner's affidavit. The appellant requested a reduction based on the appraisal.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$208,995. The subject's assessment reflects a market value of \$982,230 using the Cook County Ordinance level of assessment for class 5 property of 25%.

In support of its contention of the correct assessment the board of review submitted five sales comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board gives less weight to the sale of the subject in March 2010 as this sale was a compulsory sale and not reflective of the market. The Board finds the subject property had a market value of \$490,000 as of the assessment date at issue and a reduction is warranted.
