

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Brian Huffman  
DOCKET NO.: 09-26123.001-R-1  
PARCEL NO.: 13-15-417-031-1005

The parties of record before the Property Tax Appeal Board are Brian Huffman, the appellant, by attorney Adam E. Bossov, of Law Offices of Adam E. Bossov, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$1,022  
**IMPR:** \$4,496  
**TOTAL:** \$5,518

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two bedroom condominium unit. The property is located in Jefferson Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on December 23, 2009 for a price of \$62,000. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$21,134. The subject's assessment reflects a market value of \$237,461 or \$385.49 per square foot of living area when using the 2009 three year median level of assessments for class 2 property of 8.90% under the Cook County Real Property Assessment Classification Ordinance as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted a report that estimates a fair market value based on a set of adjustments.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant *met* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in December, 2009 for a price of \$62,000. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction. The appellant provided evidence that the parties to the transaction were not related, the property was sold using a Realtor, the property had been advertised on the open market with the Multiple Listing Service (MLS) and it had been on the market for two months. In further support of the transaction the appellant submitted a copy of the settlement statement, escrow receipt and disbursement authorization, MLS listing, and warranty deed. The Board finds the purchase price is below the market value reflected by the assessment. The Board finds the board of review did not present any evidence to challenge the arm's length nature of the transaction or to refute the contention that the purchase price was reflective of market value. Based on this record the Board finds the subject property had a market value of \$62,000 as of January 1, 2009. Since market value has been determined the 2009 three year median level of assessments for class 2 property 8.90% shall apply. 86 Ill.Admin.Code §1910.50(c)(2).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
