

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mao Mei
DOCKET NO.: 09-26821.001-C-1 through 09-26821.004-C-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Mao Mei, the appellant(s), by attorney Daniel G. Pikarski, of Gordon & Pikarski in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
09-26821.001-C-1	20-26-115-004-0000	36,620	57,332	\$ 93,952
09-26821.002-C-1	20-26-115-005-0000	7,964	50,830	\$ 58,794
09-26821.003-C-1	20-26-115-006-0000	3,981	26,695	\$ 30,676
09-26821.004-C-1	20-26-115-007-0000	5,470	0	\$ 5,470

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a one, two, and part three-story multi-family building with 42,616 square feet of living area. The multi-family building is 88 years old. The property has a 36,123 square foot site, and is located in Chicago, Hyde Park Township, Cook County. The PIN ending in -004 is classified as a class 5-92 property under the Cook County Real Property

Assessment Classification Ordinance. The PINs ending in -005 and -006 are classified as class 3-18 properties under the Cook County Real Property Assessment Classification Ordinance. The PIN ending in -007 is classified as a class 1-00 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$990,000 as of January 1, 2009.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$274,986. The subject's assessment reflects a market value of \$1,441,226, or \$33.82 per square foot of building area, including land, when applying the blended assessment ratio of 19.08%.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales from the CoStar Comps Service.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$990,000 as of the assessment date at issue. Since market value has been established the blended assessment ratio of 19.08% shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
