

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Carol Braband
DOCKET NO.: 09-28048.001-R-1
PARCEL NO.: 05-34-208-013-0000

The parties of record before the Property Tax Appeal Board are Carol Braband, the appellant, by attorney Edward P. Larkin, of Edward P. Larkin, Attorney at Law in Des Plaines; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 17,040
IMPR.: \$ 56,018
TOTAL: \$ 73,058

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of stucco construction. The dwelling is 91 years old. Features of the home include a full basement and a two-car garage. The property

has a 9,600 square foot site and is located in New Trier Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends that the subject's size information proffered by the county is inaccurate. In support of this argument the appellant submitted a brief outlining his argument, photographs of the subject, an unsigned authenticity affidavit and a partial copy of a survey of the subject.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$73,058. The subject property has an improvement assessment of \$56,018 or \$18.48 per square foot of living area based on 3,031 square feet of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables.

At hearing, the appellant's attorney argued that the subject's size information proffered by the county is incorrect. Further, he stated that he personally calculated the size of the subject and determined that the subject contains 1,497 square feet of living area and not the 3,031 square feet of living area noted by the board of review.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The appellant's attorney argued that the subject property's size is inaccurate. In support of this argument the appellant submitted photographs of the subject, an unsigned authenticity affidavit and a partial copy of a survey of the subject. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's

Docket No: 09-28048.001-R-1

improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
