

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Lee Freidheim  
DOCKET NO.: 09-28131.001-I-1  
PARCEL NO.: 17-08-402-007-0000

The parties of record before the Property Tax Appeal Board are Lee Freidheim, the appellant(s), by attorney Robert J. Paul in Chicago, and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 101,762  
**IMPR.:** \$ 64,281  
**TOTAL:** \$ 166,043

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story, 17,568 square foot, industrial building. It was built in 1975. The property has a 47,888 square foot site and is located in West Chicago Township, Cook County. The majority of the subject property is classified as a class 5 property under the Cook County Real Property Assessment Classification Ordinance. A small portion of the property is classified as a class 6 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$670,000 as of January 1, 2009.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$191,561. The subject's assessment reflects a market value of \$783,414 or \$44.59 per square foot of building area, including land, when applying the 2009 level of assessment for class 5 property under the Cook County Real Property Assessment Classification Ordinance of 25% and the 2009 level of assessment for the class 6 portion of the subject property of 10%.

In support of its contention of the correct assessment the board of review submitted information on six comparable sales.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The Board finds the subject property had a market value of \$670,000 as of the assessment date at issue. Since market value has been established the 2009 levels of assessment of 25% for the class 5 portion of the property and 10% for the class 6 portion of the property shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
