

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: David Creed
DOCKET NO.: 09-28664.001-R-1
PARCEL NO.: 17-05-117-027-0000

The parties of record before the Property Tax Appeal Board are David Creed, the appellant(s), by attorney Christopher G. Walsh, Jr. in Chicago, and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$ 10,200
IMPR.: \$ 75,971
TOTAL: \$ 86,171**

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of two improvements. Improvement #1 is three-story, six unit multifamily building containing 4,032 square feet of building area. The dwelling was constructed in 1888. Improvement #2 is three unit, two-story

multi-family building containing 3,528 square feet of building area. Both improvements are situated on a 3,000 square foot site and located in Chicago, West Chicago Township, Cook County.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables for both improvements.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$86,171. Improvement #1 has an improvement assessment of \$41,449 or \$10.28 per square foot of building area. Improvement #2 has an improvement assessment of \$34,552 or \$9.79 per square foot of building area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables for both improvements.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity regarding improvement #1 to be appellant's comparables #2, #3, and #4 and the board of review's comparables #3 and #4. These comparables had improvement assessments that ranged from \$8.75 to \$11.63 per square foot of living area. The subject's improvement #1 assessment of \$10.28 per square foot of living area falls within the range established by the best comparables in this record. Regarding improvement #2, the Board finds the best evidence of assessment equity to be appellant's comparables #1 and #3 and the board of review's comparables #1. These comparables had improvement assessments that ranged from \$8.32 to \$11.17 per square foot of living area. The subject's improvement #2

assessment of \$9.79 per square foot of living area falls within the range established by the best comparables in this record.

Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
