

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Stanley Pluta  
DOCKET NO.: 09-29179.001-R-1  
PARCEL NO.: 14-31-409-038-0000

The parties of record before the Property Tax Appeal Board are Stanley Pluta, the appellant, by attorney Richard J. Caldarazzo, of Mar Cal Law, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$14,136  
**IMPR.:** \$55,226  
**TOTAL:** \$69,362

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of two improvements. Improvement #1 is 120 years old, and consists of a two-story dwelling of masonry construction containing 1,736 square feet of living area. Features of improvement #1 include a full basement. Improvement #2 is 112 years old, and consists of a 1.5 story dwelling of frame construction containing 1,151 square feet of living area. Features of improvement #2 include a full basement and a two-car garage. The subject property has a 2,976 square foot site and is located in West Chicago Township, Cook County. Improvement #1 is classified as a Class 2-11 property, and improvement #2 is

classified as a Class 2-03 property, under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on three suggested equity comparables for each improvement.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$69,362. The subject property has an assessment for improvement #1 of \$28,610 or \$16.48 per square foot of living area, and an assessment for improvement #2 of \$26,616 or \$23.12 per square foot of living area. The total assessment for both improvements is \$55,226. In support of its contention of the correct assessment the board of review submitted information on four suggested equity comparables for each improvement.

#### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity for improvement #1 to be board of review's comparables #1 through #4. These comparables had improvement assessments that ranged from \$19.06 to \$22.52 per square foot of living area. The assessment for improvement #1 of \$16.48 per square foot of living area falls below the range established by the best comparables in this record.

The Board further finds the best evidence of assessment equity for improvement #2 to be board of review's comparables #1, #2 and #4. These comparables had improvement assessments that ranged from \$27.45 to \$30.69 per square foot of living area. The assessment for improvement #2 of \$23.12 per square foot of living area falls below the range established by the best comparables in this record.

Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and holds that a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
