

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michael Romano
DOCKET NO.: 09-29970.001-R-1 through 09-29970.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Michael Romano, the appellant, by attorney Liat R. Meisler, of Golan & Christie LLP in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
09-29970.001-R-1	18-07-300-026-0000	38,756	356,375	\$395,131
09-29970.002-R-1	18-07-300-050-0000	3,866	0	\$3,866

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a seven-year old, two-story, single-family dwelling of stucco construction with 12,934 square feet of living area. Features of the home include: six full and three half-baths, a partial basement, central air conditioning, three fireplaces, and a four-car garage. The property has two land parcels totaling a 41,899 square foot site and is located in Lyons Township, Cook County. The subject is classified as a class 2, residential property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted descriptive and assessment information on five suggested equity comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$395,131. The subject property has an improvement assessment of \$356,375 or \$27.55 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted descriptive and assessment information on four suggested equity comparables.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant *did not meet* this burden of proof and a reduction in the subject's assessment *is not warranted*.

The Board finds the best evidence of assessment equity to be *appellant's comparable #3 as well as the board of review's comparables #1 and #2*. These comparables had improvement assessments that ranged from \$23.60 to \$38.51 per square foot of living area. The subject's improvement assessment of \$27.55 per square foot of living area falls at the low end of the range established by the best comparables in this record. Based on this record, the Board finds the appellant *did not demonstrate* with clear and convincing evidence that the subject's improvement was inequitably assessed and that a reduction in the subject's assessment *is not justified*.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
