

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Lake Risk Management, Inc.
DOCKET NO.: 09-30468.001-R-1
PARCEL NO.: 06-34-408-019-0000

The parties of record before the Property Tax Appeal Board are Lake Risk Management, Inc., the appellant(s), by attorney Dennis M. Nolan, of Dennis M. Nolan, P.C. in Bartlett; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 3,760
IMPR.: \$ 29,132
TOTAL: \$ 32,892

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a two-story dwelling of frame construction with 1,970 square feet of living area. The dwelling is 97 years old. Features of the home include a full unfinished basement and central air conditioning. The property has a 9,400 square foot site, and is located in Bartlett, Hanover Township, Cook County. The subject is classified as a class 2-12 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$32,892. The subject's assessment reflects a market value of \$369,573, or \$187.60 per square foot of living area, including land, when applying the 2009 three year average median level of assessment for class 2 property of 8.90% as determined by the Illinois Department of Revenue.

The board of review did not submit any evidence in support of its contention of the correct assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds that appellant's comparable #4 was similar to the subject. The remaining properties were all used for commercial purposes, and were not mixed use properties, such as the subject. Therefore, these comparables were given no weight in the Board's analysis. Based on this record, the Board finds the appellant did not demonstrate by a preponderance of the evidence that the subject was overvalued, and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
