

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Florida Plastics International, Inc.  
DOCKET NO.: 09-30488.001-C-1 through 09-30488.002-C-1  
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Florida Plastics International, Inc., the appellant, by attorney John P. Fitzgerald, of Fitzgerald Law Group, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
09-30488.001-C-1	24-01-315-003-0000	6,187	12,563	\$18,750
09-30488.002-C-1	24-01-315-004-0000	6,187	12,563	\$18,750

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story, masonry, industrial building used as a garage, which was constructed in 1958. The property is located in Worth Township, Cook County.

The subject is classified as a class 5-22 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$150,000 as of January 1, 2008, while developing the sales comparison approach to value. A physical inspection was undertaken on October 2, 2008, which resulted in an opinion of building size at 4,777 square feet and a site size of 6,365 square feet of land.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$47,770. The subject's assessment reflects a market value of \$191,080 or \$38.33 per square foot of building area, including land, when applying the level of assessment for class 5, industrial property under the Cook County Real Property Assessment Classification Ordinance of 25%. The board's notes indicate that the subject's building size was 5,000 square feet with a site size of 5,500 square feet of land.

In support of its contention of the correct assessment, the board of review submitted unadjusted sales data on five suggested comparable sales. The board's evidence also included verbiage acknowledging that the evidence should not be construed as an appraisal or an estimate of value, while the data was obtained from sources that were not verified or warranted accurate.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant *met* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of market value and size to be the *appraisal submitted by the appellant*. The Board finds the subject property had a market value of \$150,000 as of the assessment date at issue. Since market value has been

established the level of assessment for class 5, industrial property under the Cook County Real Property Assessment Classification Ordinance of 25% shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
