

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Patrick Ward
DOCKET NO.: 09-30634.001-C-1 through 09-30634.002-C-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Patrick Ward, the appellant, by attorney John P. Fitzgerald, of Fitzgerald Law Group, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
09-30634.001-C-1	24-19-209-015-0000	1,540	4,835	\$6,375
09-30634.002-C-1	24-19-209-021-0000	12,784	9,469	\$22,253

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with two buildings containing 2,755 square feet of building area. The first building is a two-story, frame, single-family dwelling. The second building is a one-story, metal clad industrial building used as an

automotive repair facility. The property is located in Worth Township, Cook County. The subject is classified as a class 2 and class 5B property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$165,000 as of January 1, 2008. After an inspection, the appraisal stated that the subject's land size is 11,426 square feet with 2,755 square feet of gross building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$72,816. The subject's assessment reflects a market value of \$291,264 when applying the level of assessment for class 2 and 5B property under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted raw unadjusted data on nine suggested comparable sales. As to the subject, a cover memorandum stated that the subject's land size was 7,576 square feet improved with a one-story, metal clad industrial building containing 1,200 square feet of building area.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant *met* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of market value as well as land and improvement size to be the *appraisal submitted by the appellant*. The Board finds the subject property had a market value of \$165,000 as of the assessment date at issue. Since market value has been established the appropriate level of assessment for class 2 and 5B property under the Cook County Real Property Assessment Classification Ordinance shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).
