

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mila Partnership
DOCKET NO.: 09-31517.001-R-1
PARCEL NO.: 27-14-110-040-0000

The parties of record before the Property Tax Appeal Board are Mila Partnership, the appellant, by attorney Ellen G. Berkshire, of Verros, Lafakis & Berkshire, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 7,229
IMPR.: \$46,801
TOTAL: \$54,030

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 32-year-old, three-story, dwelling of masonry construction with 6,207 square feet of living area. Features of the home include a partial basement and

central air conditioning. The property has a 16,065 square foot site and is located in Orland Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four suggested equity comparables.

The appellant additionally submitted evidence that the subject's assessment should be lowered because the property had a 5% vacancy rate for 2009.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$54,030. The subject property has an improvement assessment of \$46,801 or \$7.54 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four suggested equity comparables.

Conclusion of Law

The Board finds that the appellant submitted insufficient documentation to show that the subject was uninhabitable or unfit for occupancy as required by Section 9-180 of the Property Tax Code, Section 9-180 of the Property Tax Code provide in part:

The owner of the property on January 1 shall be liable, on a proportionate basis, for the increased taxes occasioned by the construction of new or added buildings, structures or other improvements on the property from the date when the occupancy permit was issued from the date the new or added improvement was inhabitable and fit for occupancy or for intended customary use to December 31 of that year.." (35 ILCS200/9-180).

35 ILCS 200/9-180. The Board finds no evidence in the record that the subject's assessment is incorrect when vacancy is considered. The mere assertion that vacancies in a property exist, does not constitute proof that the assessment is incorrect or that the fair market value of a property is negatively impacted. There was no showing that the subject's market value was impacted by its vacancy during 2009. Furthermore, the appellant failed to show that the subject was

not uninhabitable or unfit for occupancy. The appellant merely presented evidence that there was a 5% vacancy for 2009.

The taxpayer further contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant *did not meet* this burden of proof and a reduction in the subject's assessment *is not warranted*.

The Board finds the best evidence of assessment equity to be *appellant's comparables #1 through #3, and the board of review's comparables #1 through #4*. These comparables had improvement assessments that ranged from \$7.35 to \$9.08 per square foot of living area. The subject's improvement assessment of \$7.54 per square foot of living area falls within the range established by the best comparables in this record. Based on this record the Board finds the appellant *did not demonstrate* with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment *is not justified*.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
