

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Christa Soltis  
DOCKET NO.: 09-31869.001-C-1 through 09-31869.002-C-1  
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Christa Soltis, the appellant(s), by attorney John T. Kelly, of John T. Kelly & Associates, P.C. in Orland Park; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
09-31869.001-C-1	24-21-201-001-0000	33,825	57,175	\$91,000
09-31869.002-C-1	24-21-201-002-0000	34,256	54,744	\$89,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story strip retail center building of masonry construction with 8,000 square feet of building area. The dwelling was constructed in 1986. The

property has a 40,345 square foot site and is located in Alsip, Worth Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$720,000 as of January 1, 2009.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$239,997. The subject's assessment reflects a market value of \$959,988 or \$120 per square foot of living area, land included, when using the 2009 level of assessment for class 5a commercial property of 25%.

In support of its contention of the correct assessment, the board of review submitted six sales data from the CoStar Service.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value of \$959,988, which is above the best evidence of market value in the record. The Board finds the subject property had a market value of \$720,000 as of the assessment date at issue. Since market value has been established, the 2009 level of assessments for class 5a commercial property of 25% as determined by the Cook County Classification Ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
